1	City is a four letter word. Another is Core. Follow: Old City is Core early Philly. Old City is an original. Old City is core value relevant. Much that is core value has connects to Old City. Old City is a core, unique uplifting environs, chock full educational. CORE	7/1/2015 6:00 AM
2	We need trees, gardens and convenient places for buying healthy food.	6/30/2015 3:51 PM
3	We have more dog friendly than kid friendly a playground would be a plus	6/29/2015 5:12 PM
4	Too many panhandlers.	6/29/2015 3:02 PM
5	The survey requires something between "totally" and "a little bit". How about "mostly" or "partially" or "somewhat". There's little difference between "a little bit", "not really" and "not at all".	6/29/2015 2:55 PM
6	More parking is necessary.	6/29/2015 2:47 PM
7	As a resident of Old City, I think the mixed use of the neighborhood is great. If anything I'd like to see more restaurants and sidewalk cafes enter the area. N 2nd and N 3rd seem under utilized. I'd love to see a good park built as well.	6/27/2015 5:40 PM
8	I would like to see more parks and restaurants to attract a little more bustle from residents, instead of just tourists. The tourist stuff is good too. North of Market seems ripe for this.	6/27/2015 5:40 PM
9	I've heard it described as "passe" and would agree for the most part.	6/26/2015 4:16 PM
10	We need a Grocery store!!!	6/23/2015 3:40 PM
11	inconvenient=lack of parking. noisy=poor street markings causing people to block traffic=horns	6/22/2015 4:07 PM
12	Old City has gone drastically downhill in terms of attracting interesting retail tenants. With the "gateway" to Old City, at 3rd & Market, being flanked by AT&T and CVS, its just going to look/be worse.	6/22/2015 2:06 PM
13	answers are different when thinking about daytime v nighttime	6/22/2015 9:24 AM
14	We need more support for artists/galleries and true community leaders... groups, collectives, businesses who truly know and love Old City. No more ugly condos/no more unnecessary rent increases for the art community!	6/21/2015 1:31 PM
15	A special blend of residential and commercial.	6/19/2015 4:44 PM
16	It's not my favorite place because of the noise	6/19/2015 6:26 AM
17	Very different opinions about weekdays and weekends (particularly weekend nights)	6/19/2015 12:55 AM
18	I always enjoyed working there.	6/18/2015 3:25 PM
19	The relative "quiet" v. "noisy"-ness of Old City really depends on what street one is on and at what time.	6/18/2015 2:30 PM

Old City - Vision 2026

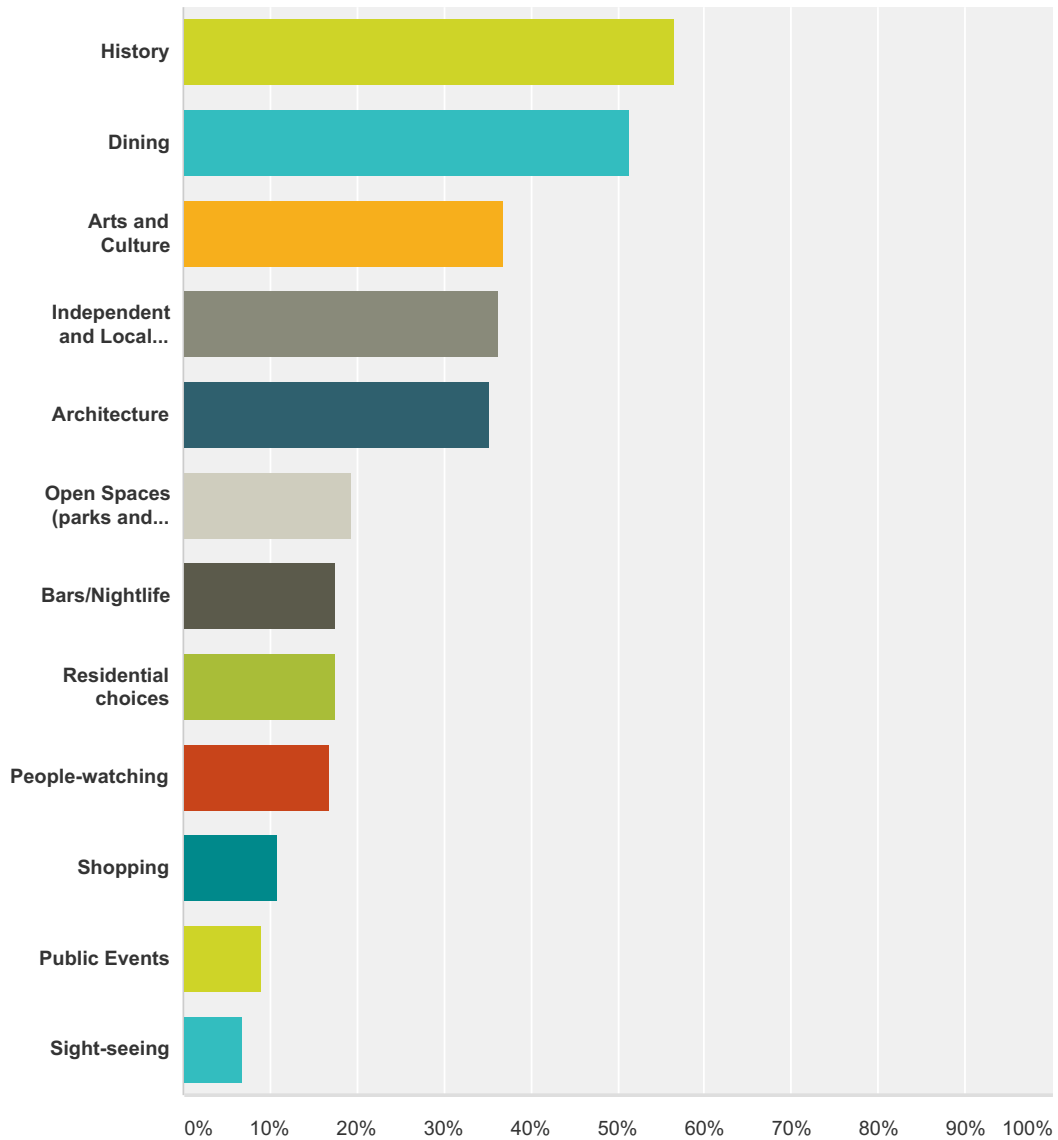

20	old city seems very stale after living here for 10 years. market street is a disgrace with the exception of fork and high street. the subway is filthy, they should reopen franklin square patco. I much prefer the new restaurant movement in fishtown/kensington. penns landing is all concrete and falling apart, race street corridor and gates for the pier have been neglected. I love the pier and le peg as well designed outdoor spaces, but the food at le peg is huge disappointment.	6/18/2015 7:45 AM
21	Has a long way to go. Maybe trying to be known for too many different tithings.	6/18/2015 7:17 AM
22	too much street noise: cars, trucks, horn blaring	6/17/2015 11:44 PM
23	Needs investment and should not become another south street.	6/17/2015 8:56 PM
24	PARKING IS COSTLY AND A PROBLEM IN THAT AREA	6/16/2015 9:55 PM
25	a place to visit because I cannot afford to live there	6/16/2015 3:53 PM
26	Inconvenient with construction, district 10 parking is limited and now with more apartments it will be even more limited.	6/16/2015 2:09 PM
27	I have lived in Old City for 7 years now and consider it an interestingly unique neighborhood -- not trendy or cool like Fishtown, but not inaccessibly overbuilt like Rittenhouse. I hope it stays that way.	6/16/2015 1:32 PM
28	quiet during day and noisy otherwise	6/16/2015 1:19 PM
29	I once got to 2nd base in Elfreth's Alley and thought that Ben Franklin also got to 2nd base here and that's pretty neat.	6/16/2015 1:18 PM
30	I was held up gun point last October in front of my own building on Cherry Street. Old City streets need more lights. And more officers NOT exclusively patrolling the south 2nd and 3rd street areas.	6/16/2015 12:49 PM
31	Certain sections of Old City are noisy with tourists, but not where I live, which is a little north of the historic sites.	6/16/2015 11:39 AM
32	Old City is a perfect model for a modern urban neighborhood	6/16/2015 11:07 AM
33	The lack of a supermarket makes Old City much less convenient than it could be.	6/16/2015 9:55 AM
34	Is Old City between front and 4th and Market and Chestnut or is it on the north side of Amrket. The answers would be totally different. I live on the North side of Market!	6/16/2015 7:28 AM
35	Big spread between totally and a little bit?	6/16/2015 6:54 AM
36	Old city could use some sort of supermarket ie trader joes, fresh market and are in DESPARATE need of a green space for kids	6/16/2015 6:22 AM
37	need more good restruants.. a bar targeted to 50plus would be nice..	6/15/2015 11:14 PM
38	I am not answering this because there is a lot of gap between "a little bit" and "totally." Seems like you are trying to push-poll.	6/15/2015 9:59 PM
39	Choices are asinine: "A little bit" to "Totally" -- where is the gradation?	6/15/2015 8:29 PM
40	Please get the trash cleaned up. There's so much on the streets!	6/15/2015 8:21 PM
41	Lots of properties need help. It could be better	6/15/2015 7:16 PM
42	Some of the responses to the above questions depend on whether your referring to either north or south of Market Street.	6/15/2015 6:30 PM
43	Sloppy (on weekend nights)	6/15/2015 6:02 PM
44	Need much better food stores and restaurants (Trader Joes?). Should be much better than Rittenhouse Square.	6/15/2015 5:49 PM
45	No supermarket	6/15/2015 5:37 PM
46	I'm a local	6/15/2015 5:03 PM
47	i wish old city was busier with shops and restaurants...sadly, many spaces are empty. also, would love to have the waterfront to enjoy! rollerblading, biking, walking, events....	6/15/2015 4:58 PM
48	Could be a lot cleaner south of Market, especially the smaller streets.	6/15/2015 4:55 PM
49	I've lived in Old City for more than 30 years. It just keeps getting better.	6/15/2015 4:43 PM

Old City - Vision 2026

50	I am a life long (63 years) Philadelphian. The city is better and more fun now than it has ever been.	6/15/2015 4:28 PM
51	As a long time Old City patron, I'd like to say I think the continued disrepair of the sidewalks is inconvenient & a safety concern.	6/15/2015 4:08 PM
52	We need lots of infrastructure repairs and more services businesses; need supermarket; too many empty business spaces	6/15/2015 4:08 PM
53	Many of these comments are based on the area of Old City where I live: on Third Street between Race and Arch Steets.	6/15/2015 4:00 PM
54	There are no spaces to take young children in Old City. You either walk to Franklin Square or Society Hill/QV. The green spaces along Front St (S of Market) and Wood St would be perfect sites for a playground. I have lived in OC for 10 years and I am raising 3 kids here.	6/15/2015 3:58 PM
55	"a little bit" is an odd choice. when i mark that i mean "sometimes" or in some parts - like noisy south of market and quiet north of market.	6/15/2015 3:54 PM
56	Scruffy - that is good and bad.	6/15/2015 3:54 PM
57	The crowds are mostly tourist-drivn. Noise is predominantly on weekends on 2nd St. bars and clubs	6/15/2015 3:53 PM
58	Way too noisy for residents along Market between 2nd and 3rd. Either redirect buses, fix the streets, or limit construction noise. Street musicians are also very annoying.	6/15/2015 3:51 PM
59	There are really two sides to Old City - the area south of the bridge with the nightclubs and galleries and the area north of the bridge which is much more residential and quiet.	6/15/2015 3:50 PM
60	I've lived in old City for 19 years. I've seen it change and I think it's changing for the better. It lacks in services like a supermarket.	6/15/2015 3:43 PM
61	I look at it as a cool spot to go in the city for restaurants, bars and art galleries. Now with Spruce Street Harbor Park there is even a bigger draw to the area.	6/15/2015 3:41 PM

1	More trees. Grocery store nearby. More specialty food stores.	7/4/2015 5:57 AM
2	Good food.	7/2/2015 8:38 PM
3	Upscale shopping	7/2/2015 7:57 PM
4	More upscale restaurants and food stores.	6/30/2015 10:54 PM
5	None of them we're UNIQUE! Why would we "borrow" someone else's attributes?!?!	6/30/2015 3:55 PM
6	Greenery, central space for meeting	6/30/2015 3:51 PM
7	We need a super market - or at least a Trader Joe's. If you don't have a car - grocery shopping is inconvenient.	6/30/2015 3:16 PM
8	The liquor licenses are contained almost exclusively to the S 2nd st corridor. This means there are very few restaurants in any other part of old city. This neighborhood needs more restaurants that are frequented by the residents, not just the bridge and tunnel crowd.	6/30/2015 3:11 PM
9	Tree-lined streets, clean	6/30/2015 2:41 PM
10	a great diversity of retail types new architecture that is innovative while respecting the urban character of the neighborhood	6/30/2015 2:03 PM
11	More family oriented more playgrounds and schools and kid activities	6/29/2015 5:12 PM
12	No Libs is building/renovating homes that have 3 bedrooms, take sustainability into account and are affordable.	6/29/2015 3:25 PM
13	Like EP, OC is where people live, work and play.	6/29/2015 3:02 PM
14	Midtown Village has transformed from a red-light district to a vibrant shopping, living and dining neighborhood. Most importantly, there are virtually no remaining vacant lots or blighted buildings. Old City still has many. Why are the owners of valuable property just sitting on it? It depresses the whole community. And what's with the garage-front homes going up on Arch St. across from the Betsy Ross House. Garage-front homes severely detract from Old City's walkability and vibrancy. And while I'm at it, all surface parking lots should be developed.	6/29/2015 2:55 PM
15	More family friendly.	6/29/2015 2:47 PM
16	laid back, artsy	6/28/2015 7:32 PM
17	little less uptight, more artsy	6/28/2015 8:56 AM
18	One of the best things about Rittenhouse that draws people to the neighborhood is the amazing park. Old City likely doesn't have a space that large, but the concept of a great park with benches and walking paths (like Rittenhouse Park or Washington Square) would draw a lot of people to the area. I think it would be attractive for both residents and visitors. The spaces in front of Independence Hall and the Constitution Center offer opportunities.	6/27/2015 5:40 PM

Old City - Vision 2026

19	Love the variety of use from Rittenhouse Square. I think that Independence Park could transform into something great like this with the addition of more trees and benches for people to actually use the space. I also love the mixed use feel and variety of dining/entertainment options that neighborhood has.	6/27/2015 5:40 PM
20	It's still a historic area, but quieter.	6/27/2015 11:47 AM
21	It's got a more laid-back home-grown vibe.	6/26/2015 4:16 PM
22	High rise apt. buildings	6/26/2015 3:33 PM
23	More people, less parking lots, less tourist traps and douchebag bars. M	6/26/2015 1:59 AM
24	The best restaurants all together on one street.	6/24/2015 5:42 PM
25	food markets	6/24/2015 12:44 PM
26	Higher density of buildings, less parking lots, greater variety of housing options, an acceptance that not every building will look like a historic row home.	6/23/2015 8:04 PM
27	We need a Grocery store!!!	6/23/2015 3:40 PM
28	More street level interactions. More variety of storefronts tailored to residents (shops, restaurants, bars), and all very mixed. Also: A GROCERY STORE (QV has both Whole Foods and SuperFresh -- we should get a TRADER JOES)	6/23/2015 9:08 AM
29	There seems to be more of a community in South Philly/East Passyunk when it comes to members of the community, business owners, and residents connecting and collaborating.	6/23/2015 9:00 AM
30	Amenities like variety of dining, bakeries, drug stores, retail... a balance of public space and commerce without rules for/against independently run.	6/22/2015 7:41 PM
31	NL actually does things like decorate for the holidays (its so pathetic that OC hasnt had holidays lights in years!), host festivals with beer gardens, have an attractive walkable vibe	6/22/2015 2:06 PM
32	The tenant mix on East Passyunk is really good. Really good restaraunts and bars.	6/22/2015 12:12 PM
33	I'd like to see Old City become more business/entrepreneur/development friendly. I think Old City has lagged behind in development versus many neighborhoods in the last 10 years.	6/22/2015 11:29 AM
34	Keeping buildings less than 65 feet, historic, preserved.	6/22/2015 10:42 AM
35	Parks	6/22/2015 10:29 AM
36	The Rittenhouse Square area is cleaner with a better mix of retail. Happily, there are two additions coming along - CVS at 3rd & Market along with a bakery in the 300 block of Market. There's also a better mix of residential options including townhouses and high rise apartment buildings.	6/22/2015 9:11 AM
37	Grocery store	6/21/2015 8:10 PM
38	the facades of the homes	6/21/2015 4:06 PM
39	Art Museum Area - like the open space	6/21/2015 3:37 PM
40	More cross communication with everyone in the district, including businesses, residents, artists, etc. Not sure if Fishtown already does this, but I just love the vibe there. My second choice would be MidTown Village... again, great feeling there, lots of restaurants, Would love to see more small restaurants, eateries (locally owned) in Old City.	6/21/2015 1:31 PM
41	More outdoor seating restaurants- not necessarily on Market St.	6/21/2015 9:12 AM
42	More single family residential density would add to the ambience of Old City and balance the dominance of less expensive rental units.	6/20/2015 4:21 PM
43	Reuse of property's	6/20/2015 4:05 PM
44	restaurants, events, safety, self-contained	6/20/2015 3:42 PM
45	their bars/ restaurants	6/20/2015 12:38 PM
46	Old City already has restaurants and shops but Rittenhouse does it on a different level. Old City doesn't need Anthropologie or Barnes and Noble but the small shops around here leave a lot to be desired. Things are getting better though.	6/20/2015 12:29 PM

Old City - Vision 2026

47	their bar/ restaurant scene is on point	6/20/2015 12:13 PM
48	More funky mixed-use buildings, more blends of architecture. Shirt Corner was disappointing for how much it tries to fit in. What makes cities interesting is the blend of old and new.	6/20/2015 10:36 AM
49	When I walk through Society Hill, I sense a neighborhood feel, a cozy feeling, I would like Old City to have a "more of that feel".....along with the quaint art shops, boutiques and restaurants .	6/20/2015 12:14 AM
50	Mt airy/gtown Economic/ class diversity	6/19/2015 10:42 PM
51	more browsing surrounding the dining options.	6/19/2015 3:36 PM
52	Better public transit access directly into the heart of Old City via Patco. More foot traffic with less bars and more higher end restaurants and retail stores.	6/19/2015 2:51 PM
53	More places to go. More things to do. Also need to attract affluent population with upscale attractions like dinning and special art events	6/19/2015 2:43 PM
54	more dining choices	6/19/2015 2:28 PM
55	Park area, clean, laid back	6/19/2015 1:57 PM
56	Old City used to be the place to be now it has transferred to the "El-Vez" area. We need to recapture that business	6/19/2015 11:11 AM
57	more of a neighborhood feel; much easier to walk (better sidewalks, less things blocking your path)	6/19/2015 7:58 AM
58	Queen Village has a bit more of a cohesive neighborhood feel while still having unique shops, etc.	6/19/2015 2:16 AM
59	Mt Airy has more diversity	6/18/2015 9:25 PM
60	more Greenwich Village like	6/18/2015 3:25 PM
61	Open space	6/18/2015 3:07 PM
62	Midtown's restaurant and bar scene seems to be a little more mature yet innovative.	6/18/2015 2:30 PM
63	More restaurants, more local businesses, more local!	6/18/2015 2:29 PM
64	People that are not tourists. I always feel like it has become an area closed off to locals in favor of regional suburban visitors or others. Rittenhouse feels like a blending ground for all.	6/18/2015 11:44 AM
65	More Public Space! (Advertise Franklin Sq more.)	6/18/2015 11:43 AM
66	Parking and restaurants	6/18/2015 9:29 AM
67	very cool/hip well designed coffee houses and restaurants. bars are more neighborhood gathering spots than strips.	6/18/2015 7:45 AM
68	A little bit more bustling. Community participation in the open spaces.	6/17/2015 10:51 PM
69	I'm really not sure. Old City has a very distinct vibe.	6/17/2015 10:32 PM
70	Artsy. Young. Hip and still has character	6/17/2015 8:56 PM
71	Neighborhood feel, restaurants and shops	6/17/2015 6:03 PM
72	More twenty something friendly activities	6/17/2015 5:38 PM
73	Society Hill for its cleanliness and the ability to drive/walk/cycle around without encountering many many obstacles. It seems there is never a time in OC when there is open and free access to all lanes on any street. This creates bottle necks and traffic problems. With this comes exhaust, added noise and frustration, much less unsafe situations. SH also has a very robust neighborhood association. I understand that SH residents mostly own their properties, so there is less turn over of living spaces. But it is something to emulate.	6/17/2015 4:01 PM
74	easier access to food shopping, fewer vacant buildings	6/17/2015 2:24 PM
75	I've lived in OC for 10+ yrs. We need more viable shopping/retail and foot traffic. It's sleepy aside from the declining restaurants and trashy bar crowd. It's a city!	6/17/2015 1:26 PM
76	More restaurants and less nightclub nuisance bars.	6/17/2015 11:29 AM
77	I always feel safe in Rittenhouse Square	6/17/2015 11:00 AM

Old City - Vision 2026

78	Always seems busy...foot traffic...people watching...	6/17/2015 10:51 AM
79	More bustling.	6/17/2015 10:30 AM
80	Embracing new amongst the old	6/17/2015 9:57 AM
81	Rittenhouse Square has narrow streets, a beautiful park that a lot of activity is centered around and a continuous density and flow of stores and activity. While Old City has these attributes in parts, Market Street is an overwhelming barrier, there is no real "center," but I think the many NPS open spaces or the green by Christ Church could potentially act as such if it were more open or reconfigured with more seating and less intimidating fencing. Connecting Old City south of Market and north of Market is key, I think.	6/17/2015 9:55 AM
82	Cleanliness of streets. Fewer (if any) panhandlers	6/17/2015 6:19 AM
83	density shopping/dining bike lane	6/16/2015 11:19 PM
84	THIS AREA OF THE CITY IS UNIQUE IN ITSELF. LEAVE WELL ENOUGH ALONE.	6/16/2015 9:55 PM
85	More destination shopping and eating options	6/16/2015 9:47 PM
86	more foot traffic	6/16/2015 9:18 PM
87	Unified community position against development attempts	6/16/2015 5:39 PM
88	I do not think old city needs to borrow from anywhere that is why it is unique	6/16/2015 3:53 PM
89	cleaner, perhaps.	6/16/2015 2:39 PM
90	Interesting public spaces for planned or spontaneous activities and more interesting new architecture with infill lots.	6/16/2015 2:33 PM
91	More park space! Fewer construction sites blocking the sidewalks.	6/16/2015 2:21 PM
92	Because of the park area, Old City needs more park space	6/16/2015 2:09 PM
93	I do wish it were ever-so-slightly a little younger/dirtier like Fishtown; I feel it keeps a neighborhood honest and not prone to overgentrification and increasingly-untenable housing prices.	6/16/2015 1:32 PM
94	Great park for all	6/16/2015 1:18 PM
95	Society Hill is rather sedate--everything from residences to traffic. Old City could use a bit of that that peaceful feature...	6/16/2015 1:11 PM
96	trees!	6/16/2015 12:50 PM
97	Old City (market & south) is a 'destination' area. As a home owner living north of market, there are limited 'local bars' to go to where 'everybody knows your name'.	6/16/2015 12:49 PM
98	Better upkeep of open spaces	6/16/2015 12:47 PM
99	Businesses that have relationships with one another and the neighborhood.	6/16/2015 12:45 PM
100	Organization of marketing activities for businesses	6/16/2015 11:40 AM
101	Society Hill is a little more upscale in terms of residences, although the new buildings going up are more upscale. Also, the number of empty stores is disturbing in Old City.	6/16/2015 11:39 AM
102	Chestnut Hill	6/16/2015 11:34 AM
103	Nice mix of businesses (many independent), small historic streets, residential buildings and parks.	6/16/2015 11:31 AM
104	no other - no borrowing required	6/16/2015 11:27 AM
105	more greenspace , more distinctive architecture, better trash maintenance.	6/16/2015 11:18 AM
106	Vibrant commercial district, including unique restaurants and shops	6/16/2015 11:14 AM
107	new things happening all of the time	6/16/2015 10:46 AM
108	seems most similar b/c of bustling mix of office, restaurants, boutiques. but still old city should do its own thing.	6/16/2015 10:37 AM
109	Fitler Square - less bars	6/16/2015 10:25 AM
110	Historic housing, the look. The fact the new (modern) construction does not exist. No commercial ads.	6/16/2015 10:16 AM

Old City - Vision 2026

111	Keep buildings standardized, the new constructions are not Old City compliant	6/16/2015 10:16 AM
112	More residential, leafier, quieter, friendlier.	6/16/2015 9:58 AM
113	I don't know any of these neighborhoods well, but I'd pick one with a supermarket	6/16/2015 9:55 AM
114	More Parks and open spaces. Lots of construction that needs to be completed	6/16/2015 9:42 AM
115	Chestnut Hill	6/16/2015 9:06 AM
116	I think it could benefit by being just a bit more upscale with the shopping. Most of the shopping is very artsy or kind of bohemian.	6/16/2015 8:37 AM
117	housing	6/16/2015 8:16 AM
118	Not sure	6/16/2015 7:44 AM
119	one with a grocery store	6/16/2015 7:29 AM
120	It's unique and no other neighborhoods have anything to add, we have a little bit of all of them.	6/16/2015 7:28 AM
121	Manayunk and Chestnut Hill , better quality and more interesting shopping.	6/16/2015 6:54 AM
122	Residential with some businesses.	6/16/2015 5:33 AM
123	Rittenhouse is residential with many local businesses that cater to residents first.	6/16/2015 2:45 AM
124	more sophisticated...	6/15/2015 11:14 PM
125	Restaurants and retail Easy to get to by bike	6/15/2015 11:06 PM
126	Society hill is Historic like Old City but with more green spaces	6/15/2015 10:57 PM
127	Looks more upscale. Old City still has some properties that are vacant, boarded up	6/15/2015 10:53 PM
128	more green public space	6/15/2015 10:53 PM
129	Fish down has that whole "industrial chic" going for it, but still with some grit. We could find better ways to utilize our industrial history in new and innovative ways.	6/15/2015 10:48 PM
130	history	6/15/2015 10:36 PM
131	I would like to see the architecture and scale preserved in new developments. I think it's a shame that contemporary architecture is used for new developments. Society Hill did an excellent job blending historic themes in contemporary structures in the 70s and 80s. I also don't want to see any high rises.	6/15/2015 10:09 PM
132	shopping	6/15/2015 9:52 PM
133	Good, fenced in dog parks.	6/15/2015 9:38 PM
134	Cleaner streets, but not as exciting as Old City.	6/15/2015 9:10 PM
135	Can't really choose a specific hood. As a resident, methinks we are very short on amenities for us locals, like a large grocer, quick Chinese takeout, prepared food takeout/sitdown, hardware store, and other non-touristy, perpetually-crowded, drunken bar-type places one needs to frequent for life sustaining things. (finally getting a drugstore, so check on that one). And how about more people parks that haven't been taken over by those precious millennials and their 4 dogs and all the dog crap left behind...	6/15/2015 9:09 PM
136	nightlife	6/15/2015 9:04 PM
137	Trees and not a lot of dilapidated structures like the unit blob CDs is south 2nd and 3rd	6/15/2015 8:31 PM
138	A healthy community spirit and action	6/15/2015 8:29 PM
139	open community garden space	6/15/2015 8:27 PM
140	Need more a variety of more ethnic restaurants	6/15/2015 8:21 PM
141	We would love more restaurants north of Market with lots of variety (high-end, all day cafes, varieties of cuisines etc.) That's where we'd borrow from East Passyunk. We would also love more quiet outdoor spaces. It can get very touristy in the summers and it would be nice to have places like the rose garden and magnolia garden in Society Hill.	6/15/2015 8:21 PM

Old City - Vision 2026

142	Classy restaurants	6/15/2015 8:21 PM
143	Shipping options-small local markets and some tried and true stores like Banana Republic for staples	6/15/2015 7:44 PM
144	Quite streets with lovely residences, very close to many restaurants and shopping	6/15/2015 7:33 PM
145	JOBS	6/15/2015 7:31 PM
146	I don't want to borrow attributes from another community. We should focus on being unique.	6/15/2015 7:04 PM
147	Wawa, Rita's water ice, nice big dog park	6/15/2015 6:36 PM
148	More green.... Trees. Safe places for kids to play	6/15/2015 6:32 PM
149	Restaurants and associated foot traffic that's lacking north of Market. Liqueur license location restriction should be eliminated to encourage such development and to dilute club ghetto scene south of Market.	6/15/2015 6:30 PM
150	Manages to have a great nightlife without being obnoxious, sloppy, annoying (Old City, Manayunk, Rittenhouse sll struggle with this to varying degrees)	6/15/2015 6:02 PM
151	I would pick Bella Vista which is not on your list. Better access to residential amenities such as food shopping and parking	6/15/2015 5:58 PM
152	Need much more sophistication.	6/15/2015 5:49 PM
153	More rentals	6/15/2015 5:45 PM
154	Affordability for young emerging artists, musicians/creators and businesspeople	6/15/2015 5:38 PM
155	Parks	6/15/2015 5:37 PM
156	More restaurants, good shopping, upscale prepared food stores (i.e. DiBrunos), better street lighting.	6/15/2015 5:35 PM
157	Quieter, new construction is required to "blend-in" with the historic buildings	6/15/2015 5:34 PM
158	Fill up existing retail spaces. There's only one block of 3rd street that is fully occupied.	6/15/2015 5:26 PM
159	Not sure	6/15/2015 5:20 PM
160	I'm too new to town to know/define theses neighborhoods.	6/15/2015 5:17 PM
161	Level of care of the public spaces, as well as fewer boarded up and distressed/neglected properties.	6/15/2015 5:08 PM
162	Even though there are bars, they are more upscale. I do not go to any of the bars on or around market because of the crowds they draw in.	6/15/2015 5:06 PM
163	similar to what old city is today, but more vital/bustling, innovative	6/15/2015 4:58 PM
164	I think East Passyunk has done a great job of blending residential and businesses, and keeping the neighborhood clean, charming, and overall well-maintained. From what I can tell, the businesses, including restaurants and bars, are very respectful of their environment. It's a very pleasant neighborhood to walk around.	6/15/2015 4:55 PM
165	society hill - Old City is not very classy.	6/15/2015 4:54 PM
166	Convenient grocery stores, pharmacies, etc.	6/15/2015 4:54 PM
167	open green spaces classic street furniture no banners	6/15/2015 4:41 PM
168	Fairmont Park area.	6/15/2015 4:40 PM
169	higher quality restaurants	6/15/2015 4:37 PM
170	Mt. Airy. Center City needs more treed spaces.	6/15/2015 4:28 PM
171	Variety of eateries, small biz owners.	6/15/2015 4:26 PM
172	I wish there was a better neighborhood feel - like I hear West Phila. has. Because we don't have homes, porches, families, maybe	6/15/2015 4:25 PM
173	Edgy mix of artists and eateries, yet kids are also welcome most places.	6/15/2015 4:14 PM
174	I would say more Manayunk, or possibly Chestnut Hill because of the number of locally-owned boutiques (although I feel like the mix in Old City is hipper and skews younger or more trend-forward than either of those)	6/15/2015 4:12 PM

Old City - Vision 2026

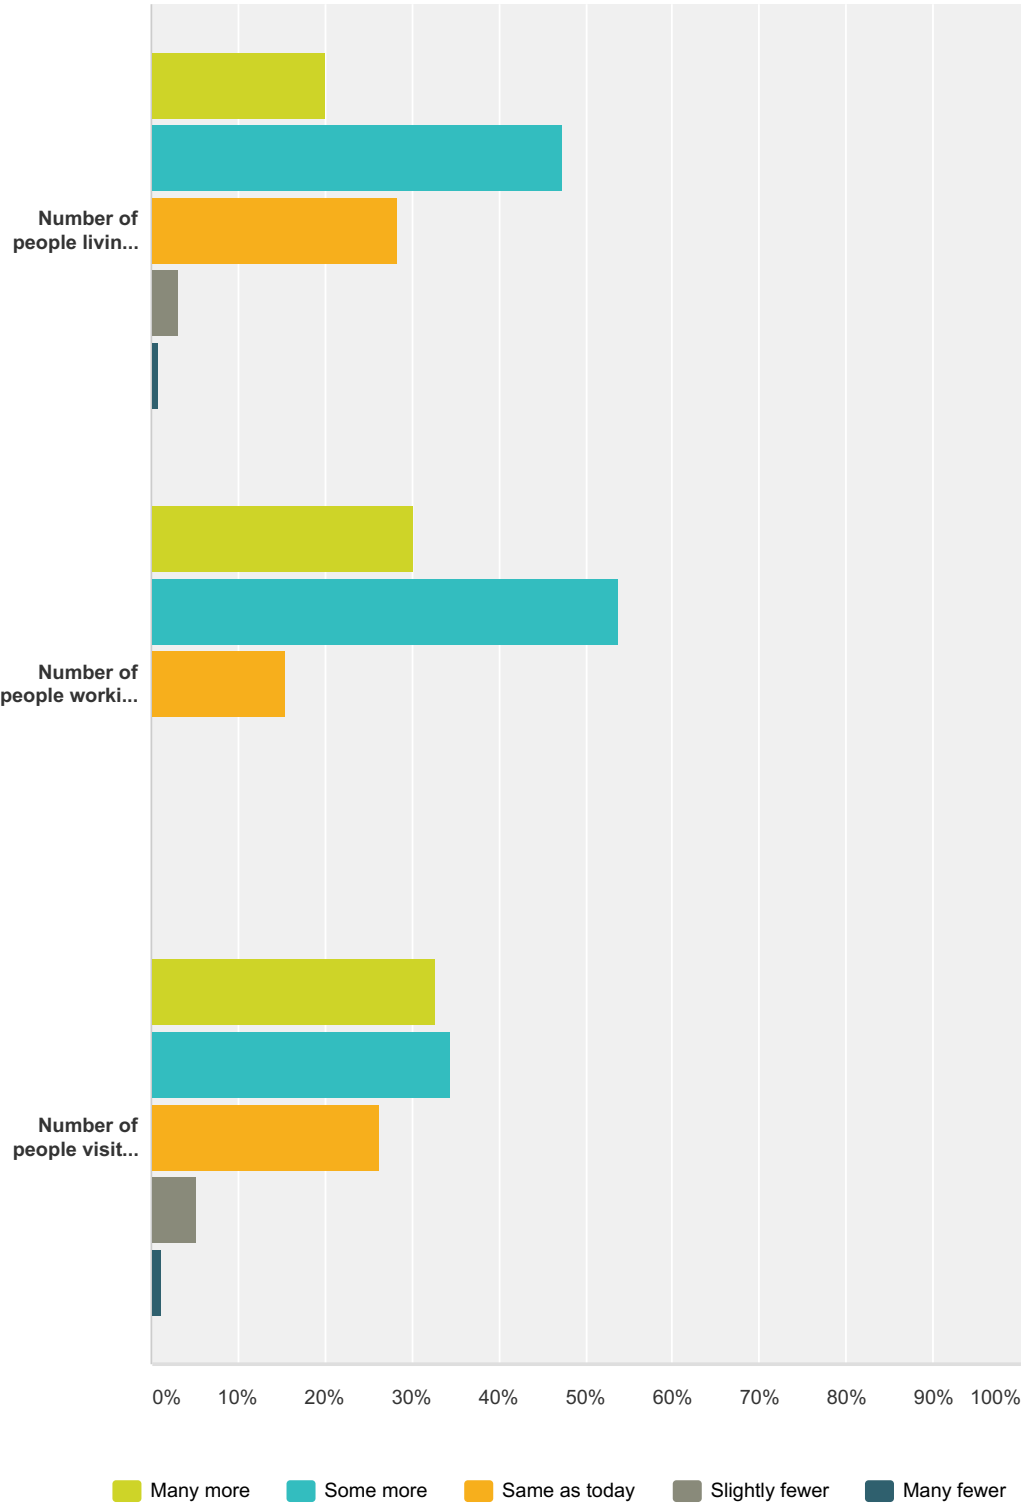

175	Better upkeep of infrastructure (sidewalks, roads)	6/15/2015 4:12 PM
176	hip	6/15/2015 4:09 PM
177	Other than Independence Mall, it would be nice to have some real pedestrian areas/seating without worrying about buses, other drivers. Maybe close Chestnut/Walnut Sts for certain hours, on weekends or for certain events, etc.	6/15/2015 4:08 PM
178	Streets and sidewalks in better repair	6/15/2015 4:08 PM
179	Other: West Philly	6/15/2015 4:08 PM
180	none, I love Old City	6/15/2015 4:05 PM
181	Successfully organizing the community for the benefit of residents and businesses.	6/15/2015 4:00 PM
182	Brewerytown - More independent shops/attractions that can add to a more authentic Philadelphia experience	6/15/2015 3:59 PM
183	Somewhat newer, hipper vibe. Whatever that means...	6/15/2015 3:59 PM
184	Lift the ban on liquor licenses in Old City north of Market and let the neighborhood develop. I know of 5 different restaurants that relocated to QV/BV/East Passyunk instead of moving to Old City because of antiquated restrictions. Think how bustling 2nd and 3rd Sts would be with these restaurants instead of empty store fronts. Also clean up 2nd St across from Cuba Libre and enforce deadbeat owners to promote business in abandoned buildings.	6/15/2015 3:58 PM
185	Historic, lots of events, small stores, no big ugly buildings.	6/15/2015 3:55 PM
186	inventive	6/15/2015 3:54 PM
187	mix of restaurants and small businesses + new fresh grocery store	6/15/2015 3:54 PM
188	Not an interesting question	6/15/2015 3:54 PM
189	Classier bars, restaurants, and people	6/15/2015 3:51 PM
190	This area values its historic buildings and plays-up their unique features while at the same time hosting various independent businesses and restaurants. This is truly a destination for locals and visitors alike.	6/15/2015 3:50 PM
191	Fairmount	6/15/2015 3:50 PM
192	All the above	6/15/2015 3:50 PM
193	Lots of public use	6/15/2015 3:50 PM
194	Germantown/Chestnut Hill---More trees and green space even in streets with rowhomes and commercial corridors	6/15/2015 3:48 PM
195	Fishtown has found a way to welcome new residents without displacing old ones. It is both funky and down to earth.	6/15/2015 3:48 PM
196	none	6/15/2015 3:46 PM
197	greenery/open space	6/15/2015 3:45 PM
198	Too many restaurants cater to tourists and offer mediocre food choices, only a couple of reasons for a Philly native to visit food wise:: Franklin Fountain and Market on High Street/Fork.	6/15/2015 3:44 PM
199	We need a market please. Di Bruno's please come check us out.	6/15/2015 3:43 PM
200	Parking options	6/15/2015 3:43 PM
201	More shopping and better maintained pathways.	6/15/2015 3:43 PM
202	Innovative area; investment by local companies; coming up; new businesses; not obnoxious.	6/15/2015 3:42 PM
203	Strong Community identity	6/15/2015 3:41 PM
204	Quirky retail, strong neighborhood idenity (theme), 2nd/3rd floor retail and small office spaces, dense, low levels of vacancy, better transit access, better sidewalk infrastructure	6/15/2015 3:40 PM
205	Young and a bit more hipster	6/15/2015 3:38 PM

Old City - Vision 2026

206	More big name restraunts and bars.	6/15/2015 3:26 PM
207	Where could we have arts or crafts fair weekends?	6/15/2015 3:00 PM
208	More neighborhood'y. More restaurants. Less Jersey.	6/15/2015 2:49 PM
209	Entertainment options, interesting businesses, energy	6/15/2015 11:16 AM
210	More affordable housing choices.	6/13/2015 9:27 AM
211	no chain retail, trees, original architecture - authentic and unique	6/12/2015 10:24 PM
212	This question has some serious implicit bias. Make OC more diverse, to reflect the city's diversity overall. Like: North Phila, South Phila West, West Phila/ University City	6/12/2015 9:38 PM
213	Being able to hold on to what makes the area unique and avoiding bad townhouse architecture.	6/12/2015 7:25 PM
214	Upscale, quiet	6/12/2015 6:36 PM
215	The main street feel with bars, restaurants, etc. Great BYOBS	6/12/2015 5:42 PM
216	affordability	6/12/2015 5:31 PM
217	The restaurant scene on EPA	6/12/2015 2:58 PM
218	More outdoor dining throughout.	6/12/2015 2:56 PM

70	No open space, parking is too dear	6/15/2015 7:40 PM

82	too crowded	6/15/2015 4:35 PM
83	I love the area	6/15/2015 4:26 PM
84	Great location, but schools and prices keep me & my kids from moving there -	6/15/2015 4:14 PM
85	retired	6/15/2015 4:14 PM
86	Doesn't have the same critical mass of restaurants, conveniences and access to mass transit as other areas, plus it's overrun by tourists and bar crowds moreso than Rittenhouse, Graduate Hospital and South Philly, in my opinion.	6/15/2015 4:12 PM
87	I work here, but love my neighborhood	6/15/2015 4:12 PM
88	close to my daughter	6/15/2015 4:09 PM

96	I love where I live	6/15/2015 3:53 PM
97	There's no local school, no playground, no library - not kid friendly at all.	6/15/2015 3:50 PM
98	I love the area. Schools are the biggest hurdle.	6/15/2015 3:49 PM
99	Very expensive	6/15/2015 3:48 PM
100	Old City seems more of a place to visit or work. Not sure if there are enough convenient amenities for it to be a neighborhood. (Where's the closest grocery store?)	6/15/2015 3:47 PM
101	I like where I live now	6/15/2015 3:46 PM

110	I live in the art museum area for more than 30 years. Love my neighborhood and my neighbors.	6/15/2015 3:38 PM
111	I love its historical beauty and cleanliness compared to the parts of the city westward of Old City. It is just does not have any housing that I could afford anytime soon.	6/15/2015 2:47 PM
112	Great area but expensive	6/15/2015 11:16 AM
113	character of neighborhood -- but it is changing to be too modern and like anywhere else	6/12/2015 10:24 PM

3	Rent is high	6/30/2015 10:54 PM

6	Moving after retirement	6/30/2015 3:16 PM

8	If my rent goes up significantly, I might need to seek a more affordable area.	6/30/2015 2:03 PM

Old City - Vision 2026

11	Depends on the price of homes	6/29/2015 3:25 PM
12	The type of living spaces common to old city are not accomodatign to growing families.	6/29/2015 2:47 PM
13	It's already a great neighborhood that has so much potential to grow into itself and become one of Philly's best neighborhoods again. We just need a few more "draws" for workers and visitors who live in other neighborhoods.	6/27/2015 5:40 PM
14	Just moved to the neighborhood because I'm excited to see its continuing transformation	6/27/2015 5:40 PM
15	love my condo and love the vibrancy and convenience	6/24/2015 12:44 PM
16	Only if I take a job outside of the Philadelphia region	6/23/2015 8:04 PM
17	But We need a Grocery store!!!	6/23/2015 3:40 PM
18	Wish there was more housing inventory! But I know that's being unrealistic since this neighborhood will continue to be hot.	6/23/2015 3:27 PM
19	Only apartment-style residential options... may want a house with a front door in the next 3 years.	6/23/2015 9:08 AM
20	because the City pays no regard to its residents... parking authority, tourism is out of control. we have enough whiskey bars, dry cleaners and salons but not a single full-service bakery or sandwich establishment (beyond steaks).	6/22/2015 7:41 PM
21	I miss having patio/deck - private space outside	6/22/2015 1:32 PM
22	Not likely, but we may need more space and Old City is expensive	6/22/2015 11:29 AM
23	Parking	6/22/2015 10:42 AM
24	Depends on my life situation.....	6/20/2015 12:14 AM

26	Prices are rising significantly and we are losing our historical charm	6/19/2015 11:11 AM

35	But I still own property there	6/17/2015 3:48 PM
36	Need more stable retail. Boutiques are fun but can't sustain themselves without foot traffic. Chains aren't necessarily bad-especially if they can manage signage and drive traffic. Need a grocer!	6/17/2015 1:26 PM
37	Rising rent outpacing salary	6/17/2015 7:41 AM

Old City - Vision 2026

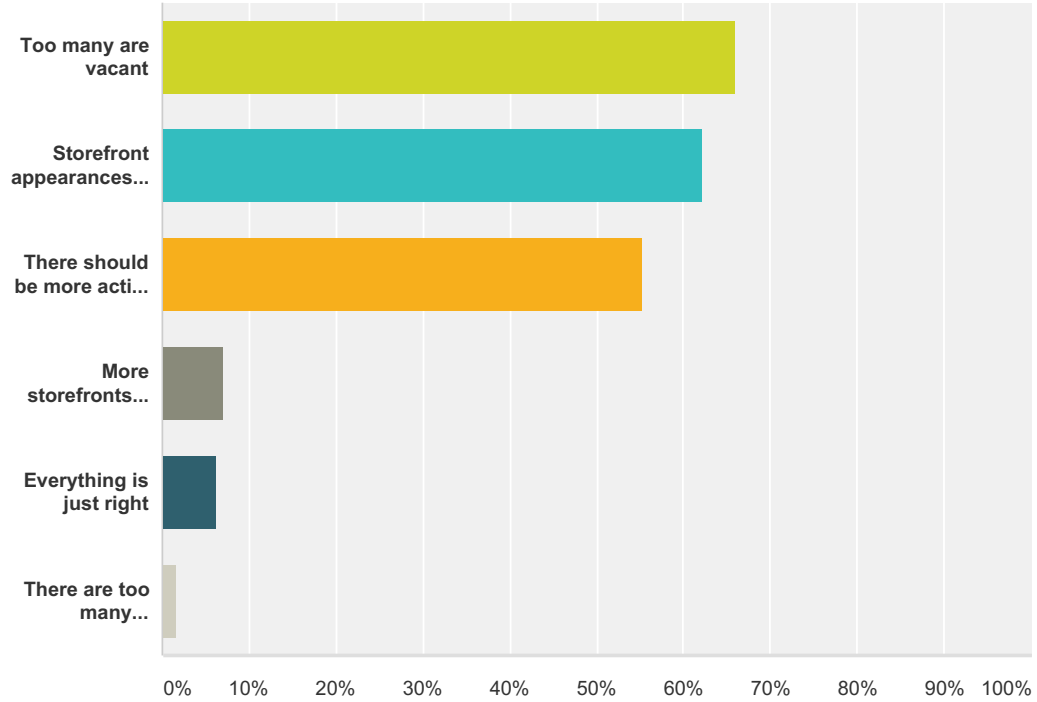

43	As long as the new construction isn't predatory and doesn't make the area too busy or too much like everywhere else in the city, I am not going anywhere.	6/16/2015 1:32 PM
44	Looking for apt or condo that is one floor	6/16/2015 1:18 PM
45	I have invested a lot of money to buy in OC; don't want to have to go through that again...	6/16/2015 1:11 PM
46	Love the open loft space still available. BUT, area could use more stable residents. The new units being built seem to be more for short-term transient people rather than for the long term community-oriented	6/16/2015 12:49 PM
47	As a retiree I'm more interested in preserving what I have than acquiring more through change - serious concerns about Philadelphia's prospects re poverty, schools, overall employment opportunities for general population, and city governments' ability to solve problems only through raising RE taxes	6/16/2015 11:27 AM
48	not as vibrant as it should be, being bypassed by other neighborhoods, super long development cycles compared to other neighborhoods	6/16/2015 11:14 AM

74	Different space needs. Better parking option.	6/15/2015 5:26 PM
75	Schools. A yard. Bigger place.	6/15/2015 5:23 PM
76	Growing family. Need more affordable housing to meet our needs	6/15/2015 5:20 PM
77	Great mix of historic, commercial, energetic.	6/15/2015 5:08 PM

Old City - Vision 2026

78	Thinking about moving because of a lot of noise, trash and filth from certain restaurants and bars. Some places are very disrespectful of their surroundings--residents and their homes, other businesses, and streets/sidewalks.	6/15/2015 4:55 PM
79	down the shore	6/15/2015 4:37 PM
80	I'm at an age where I need an elevator. After 35 years I hate to go.	6/15/2015 4:36 PM
81	We still own our place in old city we just needed more space so we bought another place in northern liberties	6/15/2015 4:30 PM
82	I do not like the bar scene at all and there appears some trend to increase this. I mourn the loss of building height restriction thus have lost views and anticipate further, non-historically sensitive developmentsensitive	6/15/2015 4:25 PM
83	We would like to be in an area with more restaurants, more shopping and in a high rise condo building.	6/15/2015 4:16 PM
84	Best transportation/location; good walkability; relatively safe	6/15/2015 4:08 PM
85	I like the feeling of Old City & the people who live here	6/15/2015 4:00 PM
86	Outgrowing my home and lack of resources for children. I'd love to stay but OC cannot accommodate families with children after a certain age.	6/15/2015 3:58 PM
87	it's a real neighborhood. needs to reinvent itself.	6/15/2015 3:54 PM
88	business here	6/15/2015 3:54 PM
89	No supermarket; not enough service businesses	6/15/2015 3:53 PM
90	Looking to relocate in the next 6 months, looking for a job now.	6/15/2015 3:51 PM
91	Noise, trashy bars, vagrants, drunks	6/15/2015 3:51 PM

96	My job might move	6/15/2015 3:42 PM
97	Living space	6/15/2015 3:40 PM
98	It's perfectly close to everything, but not crowded or noisy	6/15/2015 3:00 PM
99	I am here because of the apartment, not because of the neighborhood.	6/15/2015 2:49 PM
100	too expensive for what you get	6/13/2015 9:27 AM
101	Need more space, more convenient residential parking	6/13/2015 7:52 AM
102	Loss of culture, sameness and priced out.	6/12/2015 7:25 PM
103	too much construction	6/12/2015 6:36 PM

1	Emptiness of some places is an issue. Perhaps more could be - adapted use - into residences. Note. There is architectural vernacular in neighborhoods. New structures often are glaringly different and that is a loss of organic self. Adapted use is favorable over new n different. Hear Ye! But I have another concern relating to occupied Stores. There is too much storefront overflow. Years ago in the 70's there was an Headhouse experiment in which a building of ground level stores was constructed so that customers became lost. The store shops were wonderful but the attempt failed. The stores were engaging but the deliberate wish for customers to fun-experience becoming lost... Well soon excitement wearied. Lesson. Sense of lost in place and, issues of obstructions make for a bad sense of experience - no matter what the commercial interest level. The danger is not that met obstructions will be remembered but rather that they tend to lessen the positives of remembered experience. I have touted too wordy but the messages should be respected. I add one last thought. It is problematic where signage is inefficient. Recognizable directional sign are plentiful. Many street corners by contrast lack street signs. The last is serious deficit. Overall Old City is fondness making. Cheers. Bravo. Plaudits!	7/1/2015 7:01 AM
2	Can't wait for CVS!	6/30/2015 10:57 PM
3	Many of the storefronts are just too plain/sedate/understated they need MORE COLOR!	6/30/2015 3:57 PM
4	Think of New York - don't need a car - in fact it's a liability. Everything you really need is available in ground floor storefronts.	6/30/2015 3:19 PM
5	Having all of the bars on the S 2nd strip moved all the seediness of Delaware ave to S 2nd. The restaurants and bars should be more spread out which would deter the ugliness that is 2nd st on Friday and Saturday nights.	6/30/2015 3:15 PM
6	We need a grocery store, preferably a natural/organic market to support Old City's young residents.	6/30/2015 2:43 PM
7	I think an effort needs to be made to make front street more amenable to street life by mitigating the negative effects of I-95's traffic noise.	6/30/2015 2:06 PM
8	We need an Aldi or trader joes. Glad to see Swiss bakery opening we need a fresh bread space. We need a hardware store desperately. We need a diner. We need PARKING that is fair(parking authority is abusive! ticketing viciously some and ignoring other flagrant abusers) convenient, and reasonable to encourage shoppers and visitors,	6/29/2015 5:23 PM
9	Parking & access are major problems	6/29/2015 3:24 PM
10	there should be some standards. dilapidated storefronts and empty, overgrown lots are not welcoming to residents or visitors.	6/29/2015 3:05 PM
11	Big windows. Tall ceilings and storefronts. Light up the streets. Plant street trees. Keep it clean. Remove graffiti immediately. Pick up litter several times a day. Powerwash the sidewalks. Rake the leaves often. Banners are good. Sculpture is better.	6/29/2015 3:00 PM
12	It seems like too many ground floor storefronts are vacant right now or used for something like warehousing or selling commercial equipment. If we want to draw more people to the neighborhood, there need to be more active uses that people want to come visit. Restaurants, cafes, supermarkets, parks, etc. will do that.	6/27/2015 5:54 PM
13	I think Old City is in need of a large Supermarket Grocery Store. The North end of the neighborhood by the Ben Franklin bridge could be an attractive area for this because not only would Old City residents use it, those in Callow Hill and Northern Liberties would be likely to shop there as well.	6/27/2015 5:54 PM
14	Exteriors need to be consistent with the neighborhood.	6/27/2015 11:53 AM
15	Need a grocery store	6/26/2015 3:37 PM
16	Fight vacancies and deadbeat landlords! No more garage-fronted rowhouses! Highest and best uses only!	6/26/2015 2:00 AM

Old City - Vision 2026

17	Get rid of the clubs in old city. They are ruining the neighborhood.	6/24/2015 11:12 PM
18	Crack down on building fronts that are vacant and boarded up. There's no way to get someone interested in renting a space if the windows are blacked out or boarded over.	6/23/2015 8:10 PM
19	We need a Grocery store!!!	6/23/2015 3:41 PM
20	I think our streets are already bogged down sufficiently with the Duck Boat Tours, buses and horse-drawn carriages. Why did we just allow the new owner of "Big Ass Slices" on Market to add that stupid red monster tour bike to the mix. Then we accommodated the opening of a SEGWAY store on Arch St! Too much!	6/22/2015 7:48 PM
21	Bringing in chain stores totally kills any "uniqueness" that Old City once had. The 7-11 and CVS are horrible.	6/22/2015 2:08 PM
22	I really miss a decent grocery store. It's a darn shame I have to drive to south Philly. Also a decent hardware store, e.g ACE	6/22/2015 1:37 PM
23	Keep brick facades as the standard, not the flat-tone grey and pastel-color style that some other neighborhoods are getting. Neighborhood serving retail and destination retail should be mixed so there's lots of street activity	6/22/2015 12:23 PM
24	I think with 2 more large projects(205 Race and the development opposite the National), Old City's storefronts should be able to handle more retail and hopefully a DiBruno's type gourmet food store. I think a large scale grocery store may be difficult even with more density, but a small to mid sized specialty one would work very well.	6/22/2015 11:36 AM
25	Too many wholly vacant buildings not being put to use and are eyesores. No reason for that in such a bustling area.	6/22/2015 10:22 AM
26	Too many banks. Storefronts could look a lot more inviting - cleaner with perhaps more flowers and/or trees on the smaller, numbered streets. Less "funky" and more "mainstream" retail might attract more customers especially among office workers. Not everyone is 22 years old.	6/22/2015 9:24 AM
27	Specialty foods, trader joe, real bakery, cheese and olives. Wine.	6/21/2015 5:02 PM
28	We do not need more bars and restaurants! A Trader Joe's would be nice, though.	6/21/2015 2:28 PM
29	Fill in vacant lots	6/20/2015 4:05 PM
30	would like to focus on all of Old City, not just "third st corridor" need more grocery, food markets	6/20/2015 3:47 PM
31	Make storefronts more attractive.....more enticing,more interesting....a place where people will want to walk and browse all the unique interesting boutiques, cafes, clothing, & gift shops.	6/20/2015 12:20 AM
32	Too many vacant storefronts!	6/19/2015 11:31 PM
33	Old City needs to be a destination again with plenty to see, an enjoyable area for browsing, strolling with unique products to see and purchase...worth the effort to visit. It seems to have lost some of its appeal.	6/19/2015 5:01 PM
34	Make sure that whatever commercial use is made of these spaces it is compatible with maintaining a quality of life consistent with a residential community.	6/19/2015 4:51 PM
35	cobblestone and steps into storefronts are tough for strollers, just helpful to realize when trying to attract families.	6/19/2015 3:40 PM
36	The neighborhood needs to open up to more retailers without being blocked by the residents all of the time. Efforts to lure big name brands(LVMH, Gap, etc) even if they are local shops like Knitwit, DiBruno, Sophie Curson, Nicole Miller, etc should be enticed to come into Old City as an anchors where they can see huge savings in rent. If many were to come it would create synergies allowing the neighborhood to thrive as the commercial entity that it already is.	6/19/2015 2:56 PM
37	too many burned out buildings or vacant buildings or out of place businesses. neon should be banned	6/19/2015 2:54 PM
38	I think more restaurants/cafes would draw people in or keep neighbors in the area, the existing eateries are always busy it seems. Also a small but really good market would be wonderful!	6/19/2015 2:44 PM
39	Stop selling out to major chains and keep old city independent. Very sad to see big retailers moving in. The moment McDonalds or Wendy's builds here I'm moving out and taking my business with me.	6/19/2015 11:13 AM
40	Fewer spots along Market and 2nd, 3rd Streets that market themselves to the lowest common denominator: bros from the 'burbs looking to crush some box.	6/18/2015 4:55 PM
41	Manage pricing to ensure the most interesting mix of retail	6/18/2015 4:50 PM
42	More farmers markets, butchers, groceries that are not bodegas.	6/18/2015 12:33 PM

Old City - Vision 2026

43	Good mix -- BUT there "seems" to be less personal services stores, which make it less residential and more touristy	6/18/2015 11:46 AM
44	Variety of prices please without making me just window show every single time. As a Philly resident I cannot afford anything and despite working close will avoid thw areas restaurants and shops because they are out of my everyday budget but rather a special occasion level one.	6/18/2015 11:46 AM
45	For future residents, there may need to be something resembling a quality food/small supermarket	6/18/2015 11:38 AM
46	WE NEED A SUPERMARKET	6/18/2015 9:30 AM
47	we need to change trash day from Friday, often during snow or holidays first Friday crowds must be surrounded by trash. also many of the storefronts/ retail spaces are not well kept. totally lacking in the flower boxes/planters. need more dog friendly spots. self cleaning restroom would be nice. use the area under the bridge and the other pier as creative spaces. more pop-ups. a plant store such as city planter.	6/18/2015 8:02 AM
48	Maybe more office use.	6/18/2015 7:20 AM
49	it needs improvement. The streets need to be cleaned more. signage needs to be more uniform and appealing. More trees and landscaping	6/17/2015 6:45 PM
50	It is too bad that 7 to 11 came into the neighborhood. There are always pan handlers out front and the brand colors/design are not in keeping with OC. In contrast, the new CVS, also a chain, will fit in very well.	6/17/2015 4:05 PM
51	Old City is in desperate need of a good grocery store and more family friendly locations.	6/17/2015 3:56 PM
52	need more food uses north of Market St!	6/17/2015 2:26 PM
53	Less stringent policies for historic building to attract more business relative to storefront/building frontage	6/17/2015 2:01 PM
54	We desperately need a local grocery store. Something the size of everything fresh or di Bruno could probably do well without outside traffic, but a trader joes or whole foods would draw from society hill and nolibs.	6/17/2015 1:28 PM
55	Old City needs to step up the quality of this section of the city. I live a few blocks away in Society Hill and work in Old City, but I do not like going out in Old City. I walk to work and then walk home. Some of the restaurants are nice, but the night life...not so much. I am in my late 20's and do not feel safe when going out in Old City. I think they are a lot of drunken young adults and dangerous people that visit Old City during the night and I do not feel safe, nor do I have an enjoyable night. I would rather take my money and my time and visit another section of the city, such as Queen Village or Center City East.	6/17/2015 11:26 AM
56	Currently, there are some residential buildings going up in Old City with garages and curb cuts. This is not an acceptable use of an area like Old City. It is a dense, urban part of the city with great transit options. Retail, restaurants, etc on ground floor is appropriate- not a door for private vehicles.	6/17/2015 9:57 AM
57	Think there could be a bicycle garage/bicycle cleaning and repair shop.	6/17/2015 7:48 AM
58	THE LAST TIME I WAS IN THE AREA, IT WAS FINE JUST THE WAY IT IS	6/16/2015 9:59 PM
59	I think a lot of the current stores are too expensive.	6/16/2015 4:34 PM
60	using the windows for displays made by schools and non profits to promote their ideas and skills	6/16/2015 3:56 PM
61	Too many storefronts seem to be offices. I would rather see cafes or stores instead of offices.	6/16/2015 3:56 PM
62	Get rid of all of the parking lots. They look trashy, and there's plenty of public transportation options (multiple stops on the EI and buses plus the PHLASH too).	6/16/2015 2:30 PM
63	I strongly dislike that 711 is on Market Street, it takes away from the Old City/historic experience.	6/16/2015 2:12 PM
64	Previous neighborhood civic leaders were comprised almost entirely of gallery owners and were obsessed with galleries over bars to keep out the trash and prevent the neighborhood from sliding back into what it used to be in the 1970s and 1980s. While I understand their motivations, the problem is art galleries are economically useless; they neither generate enough income nor serve a practical purpose for area residents. We need sustainable local businesses that actually serve the local neighborhood so most residents don't have to continually drive to big-box stores in South Philly or the suburbs for their basic needs. My dream would be to open a produce market in Old City and run it for the rest of my life.	6/16/2015 1:39 PM

Old City - Vision 2026

65	I remember in early January going to Cherry Hill Mall to return a xmas gift, then coming back to Philly to buy locally and stopping first in Old City. There was nowhere to park in Cherry Hill Mall -- literally the place was so packed cars were circling for 20 mins to find a spot -- and then I came back to Old City and nothing was open. I felt like "forget you guys" --totally amateur bullshit. You're only open from Thursday to Sunday? From 12pm to 6pm? Forget you. If you want people to genuinely see Old City as more than a tourist trap, you have to get shop owners who are willing to be open at least 7hrs a day, 6 days a week. It's totally out of synch with modern times.	6/16/2015 1:23 PM
66	We are in desperate need of a local grocery store!!!	6/16/2015 12:52 PM
67	Some of the landlords and realtors are: 1) delusional about rentals and thus have too much turnover, or just rent to boring chains. 2) rent to "no-hopers" who can't even post their hours and who have horrible merchandise/signage etc. Need more "small" footprints to help indy shops get a foothold. Have to slow down traffic and make sure sidewalks, peds and bikes are respected during construction. Old City needs about 5X the bike racks it has now. Valet parkers need to get ticketed for nasty driving habits.	6/16/2015 12:50 PM
68	Many Old City businesses are not handicap accessible (i.e. they have front steps to get inside). Also, many sidewalks are difficult to navigate or nearly impassable for people with canes, walkers, or wheelchairs. This puts Old City out of compliance with the Americans with Disabilities Act. In many cases, changes would be easy to implement. With many visitors to the area, this should be an area to focus on for improvement.	6/16/2015 12:35 PM
69	Could be a burden on owners/tenants, but preserve the architectural/historical qualities of facades, structures	6/16/2015 11:28 AM
70	Too many storefronts in total disrepair. I get it that all storefronts can't be occupied but that doesn't give property owners the right to not maintain the storefronts.	6/16/2015 11:18 AM
71	OCD need to actively develop programs to urge first floor occupants to leave lights on in their windows. Perhaps a matching grant program to create low cost store front lighting would encourage that activity, along with an active pr campaign	6/16/2015 11:12 AM
72	Maybe you should survey the restaurants on their available (average % of capacity per days of the week) to determine if more can be supported. It's difficult to get reservations in some restaurants even in off nights, yet other places are never crowded. And due to the historic small size of most restaurants, it's always difficult to get a reservation for a larger group.	6/16/2015 10:45 AM
73	try to get landlord's to put temporary graphics in windows	6/16/2015 10:37 AM
74	too many bars damaging quality of life for residents and bad image to potential visitors	6/16/2015 10:28 AM
75	Clean up	6/16/2015 10:28 AM
76	I really like that there are no bars north of Market.	6/16/2015 10:19 AM
77	Severely limit national chains. Encourage upscale, high quality businesses.	6/16/2015 10:02 AM
78	I have hope for positive change at the corners of 3rd and Market. Ditto my hope for the Waterfront and adjacent streets (ex Water Street).	6/16/2015 10:01 AM
79	The building on 3rd street (somewhere between Market & Race) looks like it is going to fall down. There were poles hanging out of the windows. It looks like they just started construction on this again, hopefully they finish it this time. It's been like that for awhile. Looks dangerous.	6/16/2015 9:44 AM
80	Too many facades empty or much needing a facelift.	6/16/2015 8:39 AM
81	Quality over quantity	6/16/2015 6:57 AM
82	No more chains!! Starbucks, CVS and 7-11 are terrible! Won't shop in those old city stores on principal. Goes against everything I used to live about old city.	6/16/2015 5:37 AM
83	I think Market Street can look unwelcoming with too many bars, trash and storefronts not rented	6/15/2015 11:03 PM
84	Store front with big windows versus small windows and no display possibilities	6/15/2015 10:06 PM
85	I would like to see the cleanliness of the storefronts improved	6/15/2015 9:44 PM
86	Missing restaurants north of market.	6/15/2015 9:39 PM
87	Large amounts of construction are unsightly and noisy. A few alleys could be better lit such as the alley just North of Church St between 2nd and 3rd. The park on the corner of Market and 2nd is great for dog owners but is frequently closed and also could use better seating options.	6/15/2015 9:27 PM

Old City - Vision 2026

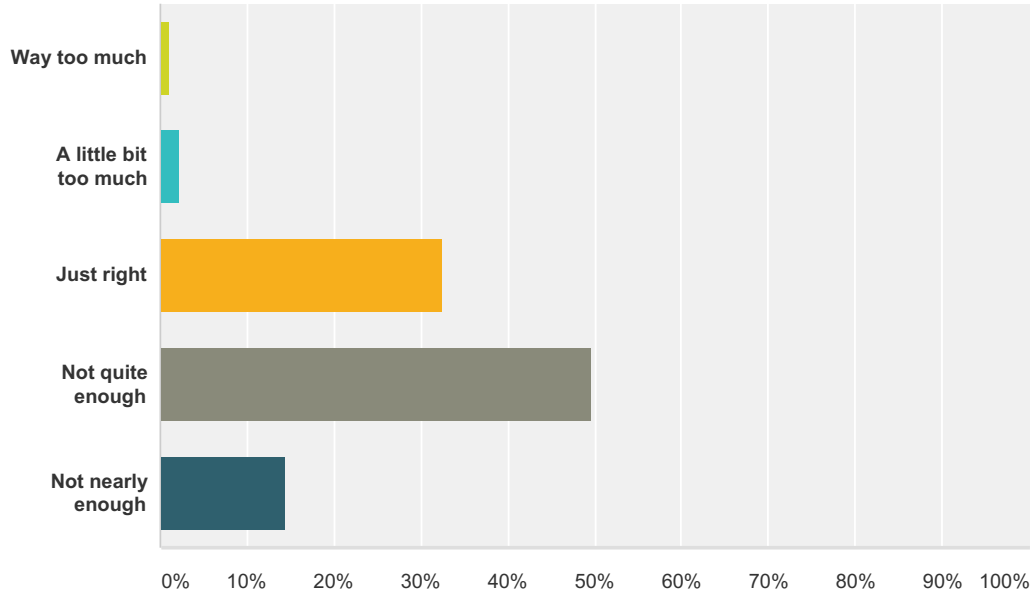

88	For #9, seems like somewhat of a residential building boom happening here so I expect many more people in hood in the coming couple years and don't think we have the amenities/basic retail goods to support them. I anticipate our relatively few restaurants/cafes to become even more crowded and less desirable to go to have a relatively sane experience- and soon I'm sure they will all be allowing everyone's dogs in for dinner too...can't wait for all the dog hair in my gnocchi. Seriously, also think the streets are falling apart, too many empty storefronts, beat up sidewalks, poor lighting, and those damn cabbies beeping their horns at me for a fare! How about some sort of a noise ordinance?	6/15/2015 9:17 PM
89	been in business in old city for 20 months, it never stops growing and improving. keep it up. a great place to live and work. who could argue with the ghost of the founders who I feel when I walk around.	6/15/2015 9:15 PM
90	make old city fun, please	6/15/2015 9:07 PM
91	Focus on independent owners and not corporate.	6/15/2015 8:37 PM
92	more community workshops around the arts/culture a commissary culinary workspace more food trucks visit.	6/15/2015 8:32 PM
93	Need more restaurants and walk in services and skilled trade services like shoe repair, tailor and upholstery/furniture repair.	6/15/2015 8:27 PM
94	There are too many vacant storefronts. Can we clean up the benches along Christ Church park. I have to walk by them and they are filled with drug users and homeless.	6/15/2015 8:23 PM
95	Disappointed with the 7-11 store. Additional of CVS or Shirt store very distasteful in a historic area. Continue to work to attract and blend cafe's and small business retailers.	6/15/2015 7:38 PM
96	The specialty vintage retailers and equipment/furniture makers are what make Old City what it is. Preserve and expand those first and foremost.	6/15/2015 7:36 PM
97	Could we please complete the Samuel Machinery Bldg. on 3rd? It has been a wreck for over 10 years.	6/15/2015 7:20 PM
98	Doggie social area (for when it's too hot, too cold or rainy.	6/15/2015 6:37 PM
99	Upgrade the appearance Use empty lots for gardens	6/15/2015 6:36 PM
100	Much needed: amenities like a grocery store and full-service pharmacy.	6/15/2015 6:30 PM
101	Need more bars/restaurants but fewer nuisance bars/restaurants (and I'm saying this as a 20-something)	6/15/2015 6:06 PM
102	Loitering outside of ground floor uses should be discouraged	6/15/2015 6:00 PM
103	Make everything more classy like Rittenhouse Thanks	6/15/2015 5:51 PM
104	Many seem unsustainable businesses (nail salons, cigar shops) or crappy (low-end touristy). We lost good design stores, galleries.	6/15/2015 5:14 PM
105	Ground floor uses should be required to fix their sidewalks, maintain AC and kitchen fan equipment hanging over sidewalks, and keep trash inside until pickup so that residents, workers and visitors can walk around easily without tripping, stepping in something or having to walk in the street.	6/15/2015 5:09 PM
106	Only small business not chain places	6/15/2015 5:06 PM
107	some of the stores in old city are shabby/low-end, like many on chestnut ...not the right kind of retail/salons to attract more buyers	6/15/2015 5:02 PM
108	We are a retail destination During the daylight hours Salons and retail play off of each other. People come to the neighborhood to shop get their hair done and have lunch There is not much gallery action during the weekdays The retail shops and salons are the draw for old city for people who spend money . The tourists do not leave their cash in the area. Tourist attractions should not be a major focus of the district. No more bars unless they are attached to a restaurant More services are also a good idea.all the people who have been grumbling about the CVS Will be patronizing it for sure.	6/15/2015 4:56 PM
109	If you have nicer sidewalks, keep it clean, have nicer restaurants, then you can support nicer stores.	6/15/2015 4:56 PM
110	We need a butcher	6/15/2015 4:44 PM
111	A nicer prepared lunch/light dinner would be convenient like Old Nelson's (7th & Chestnut) or The Grocery (13th & Chestnut) or something like a Panera Bread	6/15/2015 4:20 PM
112	We need more high-end restaurants and bars. we have too many college bars and cheese steak diners	6/15/2015 4:19 PM

Old City - Vision 2026

113	We need a grocery store!!! We also need more restaurants and more places to shop for clothing and other general items.	6/15/2015 4:18 PM
114	If the new construction attacks residents, that will enable improvements and creative ground-floor usage. If not, we'll be in trouble.	6/15/2015 4:13 PM
115	Property owners and business operators must make an effort to improve and better maintain the appearance of retail and food use store fronts. The condition of a store front projects and sets the first impression for the customer/client.	6/15/2015 4:11 PM
116	allow more variables in regards to signage	6/15/2015 4:10 PM
117	I think the vacant businesses should look livelier. This could be accomplished by using the windows for display by other businesses & organizations.	6/15/2015 4:09 PM
118	we need a small grocery store.	6/15/2015 4:09 PM
119	too much trash consistently, need more bins. need more trees and flowers	6/15/2015 4:06 PM
120	It would be nice to have more distinct Philly institutions in Old City - perhaps another Pizza Brain location, Rita's, Honest Tom's, Insomnia Cookies, etc	6/15/2015 4:04 PM
121	retail would benefit more if bars and restaurants were not so concentrated in one area	6/15/2015 3:58 PM
122	I have to go to Reading Terminal, Italian Market, or Superfresh for fresh meats and vegetables. There isn't a single store in Old City to buy any quality fresh foods. We need to see more healthy fast casual restaurants instead of trashy bars.	6/15/2015 3:55 PM
123	The vacancy and lack of investment by many long-term owners is appalling. Everywhere else in Center City there's lots of investment in the existing building stock, but in Old City the only work being done is new construction.	6/15/2015 3:52 PM
124	services for residents. we need good food places to eat, local, fresh	6/15/2015 3:52 PM
125	retain it's funky, gutsy nature. Don't get too polished.	6/15/2015 3:48 PM
126	Keep them intriguing and artsy. Don't bring in lots of nail salons, cellphone stores, insurance brokerages.	6/15/2015 3:47 PM
127	I think that in general things need to be kept looking cleaner and nicer to attract the out of town visitor. The more welcoming it looks the better!	6/15/2015 3:44 PM
128	A neighborhood directory would be really helpful so I could see where all the stores are and make sure I don't miss anything.	6/15/2015 3:42 PM
129	A grocery store is urgently needed in Old City - and with markets like Everyday Fresh actively looking for locations, OCD should be ACTIVELY courting one to open in the neighborhood.	6/15/2015 3:25 PM
130	Better, safer sidewalks and lighting. It can be quite unsafe when one is walking down unlit/low lit, broken pavements, especially alone at night. Once the historical places and offices close, it seems to get a bit sketchy for single people to go wandering.	6/15/2015 2:51 PM
131	Too much of it is poorly maintained and run-down. Not enough comfortable outdoor seating. There needs to be more quality, comfortable restaurants north of Market away from the weekend noise.	6/15/2015 2:51 PM
132	Mix of restaurants and retail would support each other better than when segregated	6/15/2015 11:18 AM
133	A supermarket like whole foods 365 would be great	6/13/2015 9:29 AM
134	Franklin Fountain/Shane, Smak Parlour, and Fork/High Street do not run Old City. Time to concentrate marketing efforts on the other businesses. High-quality grocery is desperately needed.	6/13/2015 8:13 AM

13	I think Franklin Square is great. It has activities for all ages, gorgeous plantings and old growth trees, food in the warmer seasons. Its only drawback is the location is hard to get to due to traffic patterns. It is a bit of an island in the midst of interstate on/off ramps,	6/17/2015 4:13 PM

33	If by "waterfront," you mean the harbor park, ice rink and now rollerskating, then it's definitely one of the best places in the city. But Penn's Landing and the rest of the stretch? Still a long ways to go because they're more "destinations" that aren't as easy to get to/from, feel remote and dated. There isn't an energy down there yet.	6/15/2015 4:22 PM

9	Too many homeless and drug users around the parks. This needs to be cleaned up. Im a volunteer for christ church park and I clean the park and benches numerous times a week and it still is not enough. Lots of trash from people riding on the buses and subway and homeless	6/19/2015 11:25 AM

11	penns landing is a concrete mess with mostly minority events. needs grass and shade. the pop-ups for the summer are very cheap looking, not well designed. we need more green space and water fountains with some fabulous public spaces, boat rental would be nice, a salt water pool floating in the Delaware river. the river is very under used. there is no shade at penns landing. no police presence.	6/18/2015 8:21 AM

19	Ind. National Park is a horrific "security state space" where guards bark and barricades block everything. It's awful. Add duck boats, too much traffic and idling diesels and it's a miracle that so many people still go.	6/16/2015 12:55 PM
20	Christ Church Park is mainly for dogs, so I don't go there	6/16/2015 11:48 AM

22	Race Street pier needs more happening...	6/16/2015 10:08 AM
23	The areas around and in Christ Church park are not maintained near enough. The urine smell and bottles and debris around the outside benches are a shame. It's near where we live but we don't use it much because of this.	6/16/2015 8:43 AM
24	Dogs @ Christ Church	6/16/2015 5:40 AM
25	The real reason for Christ Church and Wood St is both have been taken over by dog owners and these are now defacto dog parks. So I prefer not to bring home all the dog crap/urine on my shoes into my apartment. I like parks for the greenery and a bit of quiet away from city sounds, but most parks are overrun with tourists, loud people, and yelping dogs making for a not so peaceful experience.	6/15/2015 9:29 PM

2	I am low visioned and while I would not want benches to too obvious as to detract I would paint the ends such way as to define for seeing. Also, stret signs could have a what I word style a collar color signature to alert pedestrians. Enough to be defining. A trip-fall or a walk-bang make for a bad trip. Signifying 'defines' alert while not detract.	7/1/2015 7:09 AM
3	Market st bridge is filthy penns landing is so needy of a good clean. I see those fat so's driving around in golf carts but the stairs have broken treads for 2 years the gum on the sidewalks. Trash in the flower beds. I never see them get out of the carts to tidy. The trash bins are always overflowing. Broken tiles and bricks. Limited seating and picnic tables elevators are filthy and not easily found. Restrooms are limited and not very clean. Turn the wasted offices into nice restrooms and first aid centers. 8	should be more European-style pedestrian-only streets and plazas with al fresco restaurants and cafes	6/24/2015 12:51 PM
9	Welcome Park is one of the least utilized spaces in the neighborhood. Throw in some better seating, tear down the ugly wall towards the back and introduce some more plants and it would be a great place to relax. Right now it is just used as a gathering space for high school groups. Would not get rid of the city plan pavers on the ground though. That's the only part that is unique.	6/23/2015 8:17 PM
10	2nd and Market "Christ Church Park" does not feel like a park at all. The walls prohibit use and it is a tragic waste of public space. Also: If possible, surface parking lots should be required to have a percentage of permeable surfaces for planting. That will make them much less painful to look at in the neighborhood. Parking is important, and that could be a sort of compromise...	6/23/2015 9:18 AM
11	I've been living on Elfreth's Alley for almost five years. The nearest grass from our house for our dog is next to the on ramp of I-95N. One of our four trees was knocked down by developers on Bladen's Court. There aren't many options left for green space when developers drive usage.	6/22/2015 7:56 PM
12	There aren't good specialty food trucks in Old City. I also don't think OC has good food options on the cheaper end. If we could draw good food trucks, that would be a plus.	6/22/2015 11:46 AM
13	The sidewalks, especially on the numbered streets, are broken and uneven in many places. They need a lot of improvement.	6/22/2015 9:31 AM
14	I never know if I'm allowed in certain spots, the historical spots? Sometimes they seem roped off... near nighttime they seem unsafe. We definitely need more little spots to sit/rest/ppl watch in Old City.	6/21/2015 1:37 PM
15	I would like one of the lots along Wood St between 2nd & 6th streets to be made into a fenced dog park. One of the lots is allegedly being converted into a children's playground, so why not a fenced in dog park too?	6/21/2015 9:20 AM
16	Independence Mall and some of the other national parks need more programming. Independence Mall in particular needs a change in layout.	6/20/2015 10:45 AM
17	I wish there was a better connection, possibly through public open space, to bridge the history/ waterfront/ and dining-nightlife. I think of those three independent of one another when I think of old city.	6/19/2015 3:44 PM

Old City - Vision 2026

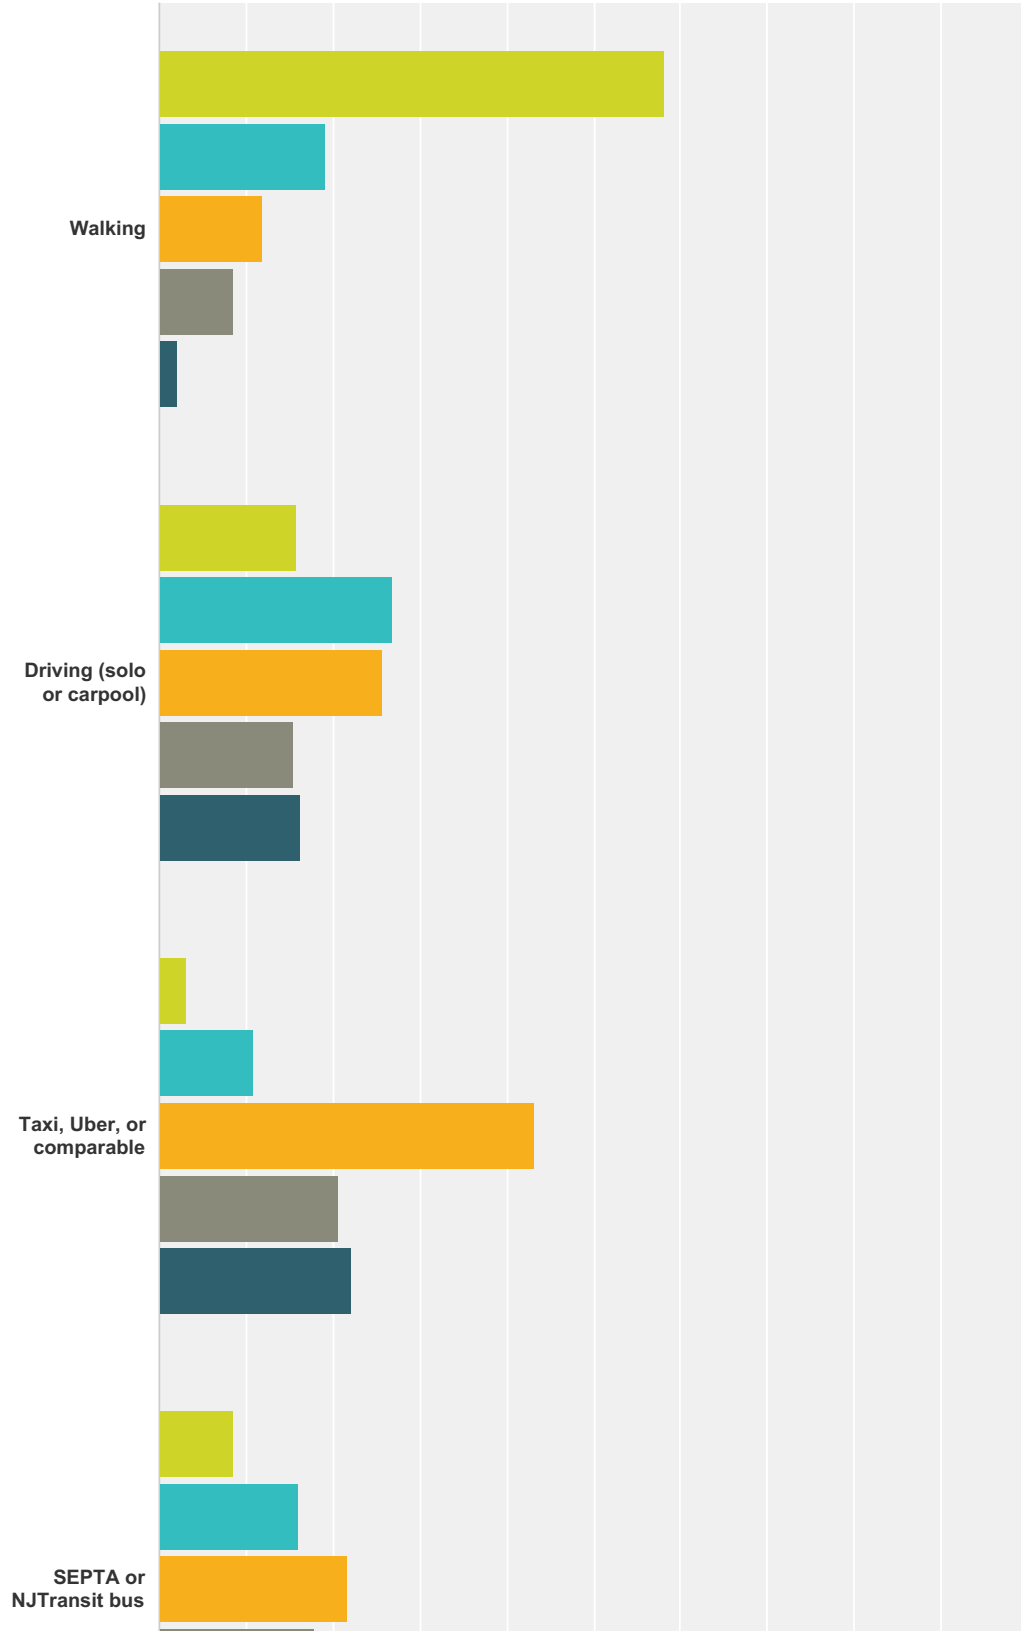

18	There are not many places to walk your dog in the evenings. Christ Church is inconsistent in regards to when it will be open or closed and the Irish memorial area is littered with drug abusers and homeless so it does not feel safe to walk around	6/19/2015 11:25 AM
19	Programming helps make them engaging. Read your Jane Jacobs on how to fix Washington Square (and Independence Mall, for that matter).	6/18/2015 4:58 PM
20	The new dog park at Penns Landing is AMAZING, thank you	6/18/2015 9:33 AM
21	bike/walking trail, community garden, larger farmers market, art classes, photography studio, use open space at visitors center/constitution center for more outdoor theater/concerts or movie nights. add fountains and more shade. why not have an aquarium in old city.	6/18/2015 8:21 AM
22	Safety and cleanliness	6/18/2015 7:25 AM
23	More kid friendly spaces would be great.	6/17/2015 3:58 PM
24	A community garden would be an awesome addition to the neighborhood!	6/17/2015 11:39 AM
25	There is very little awareness of the parks listed within the Old City boundaries. That should be step 1 before any improvements	6/17/2015 9:37 AM
26	ITS ALL WELL FOR ME. DON'T VISIT THAT MUCH ANYMORE.	6/16/2015 10:05 PM
27	More seating--especially moveable chairs so you can choose whether you want to be in the sun or the shade. More activities, like big chess sets (like the Porch at 30th Street station).	6/16/2015 2:37 PM
28	Penns landing was a great concert venue now it is dirty and filled with homeless	6/16/2015 1:27 PM
29	Vendors setting up all over the streets on First Friday is making Old City like a carnival on those evenings. This should be curtailed.	6/16/2015 11:48 AM
30	A public Garden would be a tremendous asset to the neighborhood.	6/16/2015 11:27 AM
31	With the exception of Franklin Square all of the parks are easy to get to. The biggest problem is maintenance of the less well known parks and the lack of programming in the smaller parks	6/16/2015 11:26 AM
32	better handicap parking/access.	6/16/2015 10:24 AM
33	Soft music and some food trucks at Race Street Pier on summer evenings would be lovely	6/16/2015 10:08 AM
34	Overall one of the main attractions of old city	6/16/2015 7:04 AM
35	A lot of the open spaces are not exactly kid friendly. The only real kid friendly park that has swings, playground, etc is Franklin square. A spray ground would also be a nice addition to one of the green spaces	6/16/2015 6:31 AM
36	sorry but the homeless/beggars are an issue in the Irish memorial park Penn's landing is not kept clean The market St stairs are broken and dangerous. The walnut st elevator always smell like urine	6/15/2015 10:02 PM
37	overall I think Old City has good open space. but who doesn't love more?	6/15/2015 9:49 PM
38	Why cant the wood street parks be fenced in or unkept by the city?	6/15/2015 9:42 PM
39	Please. Please. Please create dedicated dog parks; but restrict or ban dogs in the human parks!!! Please? I have to dodge all the crap on the sidewalk, give me some green grass to enjoy with none of this stuff in it.	6/15/2015 9:29 PM
40	Just too difficult, time consuming and expensive to park	6/15/2015 8:33 PM
41	There has been a bee problem at Arch Street Firehouse park and the grass was unkempt. We like trees! Penn's Landing, NW Independence Mall all need more trees/shade!	6/15/2015 8:29 PM
42	Need a kid friendly park for residents. Franklin Sq is more from other neighborhoods/outside the city	6/15/2015 7:50 PM
43	Penn's Landing needs a master development plan to include retail and outdoor plaza space, entertainment.	6/15/2015 7:43 PM
44	Need more frequent maintenance	6/15/2015 7:24 PM
45	We would benefit from a community garden	6/15/2015 6:41 PM

Old City - Vision 2026

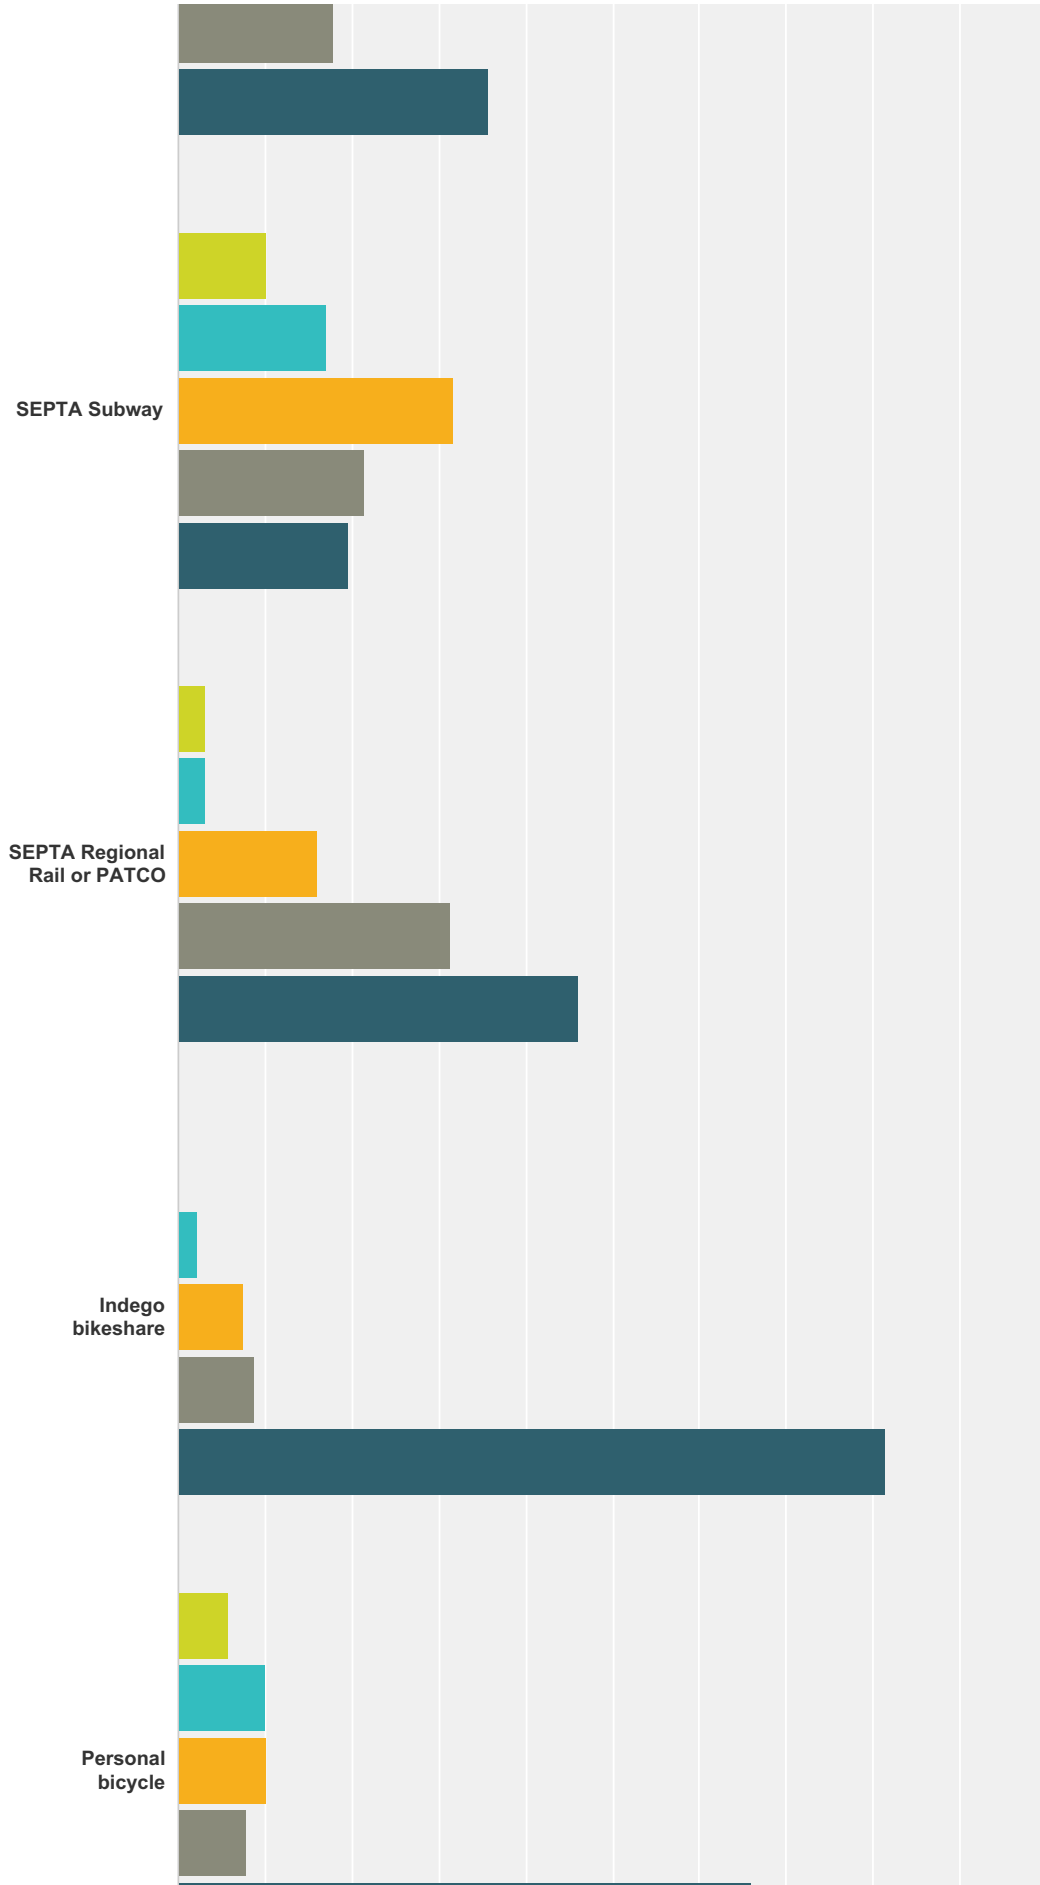

46	Old City attracts a fair amount of people, but too many of them are tourists. To be clear, I'm not saying we have too many tourists; I'm saying we need to attract more locals. That gives us the ability to support more businesses, prevent crime (eyes on the street; tourists are less likely to report a crime than locals), and get a handle on nuisance bars (noise complaints, etc.). But to have all those nice things, we need to build smart development that will keep people local (car-light or car-free housing).	6/15/2015 6:16 PM
47	Christ Church park is such a critical location and I would think it could be a lot more of a special place than it is	6/15/2015 5:46 PM
48	This is a wonderful place, which could be made greater.	6/15/2015 5:24 PM
49	Some of the parking lots and vacant lots should be converted to parks & plazas.	6/15/2015 5:17 PM
50	independence park/NW could use some groupings/plantings/trees/art/benches --- currently it's too open and the lawn is often in bad shape. in the summer it's too hot to hang out in such an open spot	6/15/2015 5:16 PM
51	Build up more around the ritz and walnut street. Why are we allowing a CVS to come in when we just got a 7-11. This is going to heart old city pharmacy. I wouldn't mind a CVS if there was no 7-11.	6/15/2015 5:16 PM
52	Pocket parks that are scaled and detailed to the specific host area are a better approach than larger scaled park areas that often don't provide human-scaled areas to pause and relax.	6/15/2015 4:24 PM
53	It's not that you're doing anything wrong -- and when it comes to some of the recent pop-ups and innovations along the waterfront, you're doing so many things right! Old City is just up against developments and improvements in other up-and-coming neighborhoods that, because they are new and different, are a draw just by virtue of not being one of the former hot spots. For example, over the last 2 years, I've gravitated toward the parkway or Dillworth Park or along the river trail and into West Philly just because EVERYTHING feels new and different and yet-to-be-discovered (I've lived here for only a few years). Again, I would say that the harbor park and those things are the exception to the rule. They haven't provided enough critical mass yet to cut through the clutter or detract from the other shiny new objects elsewhere.	6/15/2015 4:22 PM
54	We need a playground for kids!!!	6/15/2015 4:22 PM
55	Trees are important, and a water feature always seems to be a strong attraction. Most of all it they need maintenance!	6/15/2015 4:21 PM
56	Decrease surface parking lots and make Old City more transit and bike friendly	6/15/2015 4:13 PM
57	Allow the space under the Ben Franklin Bridge to be used for public events, art shows, street truck festivals, block party...	6/15/2015 4:09 PM
58	The empty lot at the SE corner of Arch & Elfreth's would make a great green space	6/15/2015 4:07 PM
59	Just the Christ Church park being taken over as a dog park. It used to be a great place to go and sit in the grass for a picnic or take the kids for a catch. Now there is too much poop and too many dogs off leash.	6/15/2015 4:04 PM
60	See Rittenhouse Square. Benches, farmers markets, art exhibits, fountains, flowers.	6/15/2015 4:00 PM
61	Pop up parks and plazas are super. Also concepts like the Porch at 30th St. should be considered.	6/15/2015 3:59 PM
62	Don't let developers crowd them out.	6/15/2015 3:59 PM
63	Penn's Landing is an eye sore and needs improvement if this city is going to be a world class city. It will greatly benefit Old City if this space was improved. There should be more activities year round at Penns Landing. How about a giant Ferris Wheel like London/retail stores like the Pier in NYC? It's ridiculous that Camden's waterfront is developed and ours is not.	6/15/2015 3:53 PM
64	Having street musicians around who can play acoustic instruments (guitar, violin, harp) at some of the parks would be a great thing to have on a regular schedule.	6/15/2015 3:53 PM
65	Have as much vegetation as possible -- not just hardscape.	6/15/2015 3:51 PM
66	DOG PARK along Woods Street would be nice	6/15/2015 2:57 PM
67	Lack of affordable parking or affordable public transportation to these places for those of us from outside the area is a hinderance.	6/15/2015 2:54 PM
68	The homeless crowd under the bridges under 95 / 676 need to be moved to safer places. We have watched cars broken into and even had our house broken into by the homeless in the area. Cops aren't doing anything when called.	6/15/2015 2:54 PM
69	The Christ Church park is a great location but is under-utilized by the community. Issues are access and layout	6/15/2015 11:22 AM

9	The Septa stations need to be improved and kept clean especially for large events!!!!	6/24/2015 10:43 AM
10	Currently entirely too many cars. There are always conflicts between drivers and pedestrians and the last thing we need are more cars. Old City is enough of a destination to not need more parking options	6/23/2015 8:22 PM
11	Opening up the PATCO stop at Franklin Square would be great. Other than Market Street, there is no eastbound bus service to the northern part of Old City.	6/23/2015 5:16 PM
12	We need a Grocery store!!!	6/23/2015 3:45 PM
13	Having a separated bike lane on Chestnut all the way between the rivers would be a huge improvement and would make me come to Old City much more often.	6/22/2015 12:30 PM
14	The PHLASH bus is great	6/22/2015 9:32 AM
15	accessible parking and parking info is number one concern of most residents and visitors	6/20/2015 4:54 PM
16	it would be great if the regional rails stopped closer to old city	6/19/2015 3:48 PM
17	need better public transportation along Delaware Ave.	6/18/2015 9:39 PM
18	You forgot to include water taxis.	6/18/2015 5:01 PM
19	Please be considerate of people who do not need to park here because i feel like its so reliant on suburban visitors that it deters those who do take transit bike or ealk	6/18/2015 11:52 AM
20	the stations are horrible, unsafe and unsanitary. I would use the el much more often if it were improved in these areas. we need to make our buses smaller and more efficient.	6/18/2015 8:30 AM
21	currently too much street space devoted to motor vehicles. To become world class Old City needs have a better mix for walking, biking.	6/17/2015 11:56 PM
22	People need a pedestrian ramp to be able to change easily from the buses ending at Penn's Landing at the No. 23 bus on Columbus Blvd.	6/17/2015 7:41 PM
23	more ways to buy tokens	6/17/2015 6:48 PM

Old City - Vision 2026

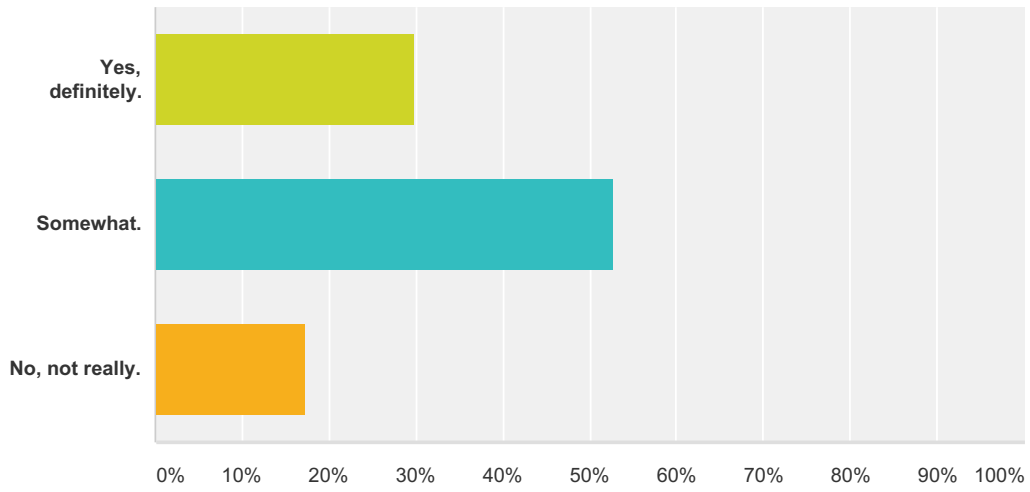

24	The bus stop on 2nd and Market is always trashy. I know it is the National Park Service that is responsible, but isn't there some way to encourage them to do a better job. Also the planter in front of Christ Church park is not well designed or maintained. It could bring a lot of color and vibrancy to that intersection. Look at what Janet and Joe Schiavo have done on the other side of the intersection. Also, the Septa station is pretty bleak. Also, an area that Old City has no responsibility over, but it is one of our major entrances to the neighborhood. It could be so much more welcoming. Finally, there is so much brick, asphalt and concrete - how about more gardens. You didn't ask about the Christ Church garden. It is quite beautiful right now. Finally, the parking lots are usually rimmed with un healthy and neglected looking shrubs with trash caught in the trunks and branches. Why can't the parking lots be required to keep their areas clean? Finally, Front Street planters are also always filled with trash. Are there any areas of OC that could become pedestrian walkways?	6/17/2015 4:23 PM
25	The bike infrastructure in Old City needs serious improvement. The amount of cars makes it dangerous for bikers and walkers.	6/17/2015 10:02 AM
26	Old City needs more District 10 parking spaces	6/16/2015 2:20 PM
27	I try to avoid the subway as it smells really badly and the rudeness of the riders is a little scared...so many stations need to be updated and patrolled	6/16/2015 1:33 PM
28	Front and Market should be an awesome beautiful bus stop with lots of info on all the buses that stop in and around there.	6/16/2015 1:28 PM
29	El stations need to be attended. The concourse that lets people walk from 18th and JFK, or Broad and Walnut ALL THE WAY to 7th and Market needs proper signage and security. It's a hugely undervalued asset and must be baked in during the Gallery revamp.	6/16/2015 1:01 PM
30	There are very few safe streets to bike on in Old City. Because of the parked cars, construction and traffic congestion (especially on Race Street), it is difficult to travel back from Center City to Old City. A designated bike lane going eastbound toward Old City would be great!	6/16/2015 12:43 PM
31	I think Old City is VERY convenient for all public transportation which I use alot, in addition to walking.	6/16/2015 11:51 AM
32	Old City has very limited bike infrastructure. No East - West bike lanes and very limited North - South bike lanes	6/16/2015 11:35 AM
33	I'm satisfied with the bus/subway services to and from Old City.	6/16/2015 11:30 AM
34	I live in a walk-up and work in the suburbs so I need a car/parking spot. But I make a point not to drive around town. More public bike racks/storage would be nice. I don't have the strength to carry a bike up three flights/nor storage space. Additionally, when I lived in Washington DC, I used the subway daily but I find Philly's subway scary (unsafe).	6/16/2015 11:01 AM
35	Same thing -- no bus routes going towards old city between Vine & Market	6/16/2015 9:48 AM
36	I used the bus every day last year but now I have no reason to, the service was punctual, clean and good!	6/16/2015 7:35 AM
37	Overall adequate	6/16/2015 7:09 AM
38	more police. it is not safe walking over the chestnut /market bridge at night	6/15/2015 11:18 PM
39	To mch traffic on the side roads (number street) too much speeding makes it very dangerous to cross the streets.	6/15/2015 11:13 PM
40	Parking needs to be considered with every new development. Businesses need parking to attract people from other areas. Many don't like to come to Old City because of lack of parking.	6/15/2015 10:15 PM
41	Parking is awful. Parking authority is insane They badger ups and fedex who provide service to all of us and allow contractors to park anywhere and make a huge inconvenient mess	6/15/2015 10:07 PM
42	Transit needs an insane amount of improvement in the cleaning department.	6/15/2015 9:52 PM
43	Fix parking signs. They are super confusing.	6/15/2015 9:46 PM
44	These precious millennials keep moving in here and yer gonna need wider sidewalks because they love to walk 6 across and refuse to allow anyone else to get by. Ya know, because they're entitled to the entire sidewalk.	6/15/2015 9:37 PM
45	Bus & rail service are great in Old City - don't tamper with it except to educate pedestrians to cross more quickly respect the motorists time needs	6/15/2015 8:40 PM
46	Too much traffic	6/15/2015 8:37 PM
47	Very pleased with the addition of Indego tho I've not yet used it yet.	6/15/2015 7:47 PM

Old City - Vision 2026

48	Parking restrictions are prohibitive for running errands where a car is needed. Bicycle riders do not obey the laws and are a nuisance eg riding on sidewalks. Septa buses drive to fast and run red lights/stop signs. The subway is disgusting.	6/15/2015 6:38 PM
49	Old City is supremely positioned to benefit from certain key street closures to cars in the summer and fall, if only on weekends. This would be transformative and less headache than most would probably guess. I'm happy to help > david.curtis47@gmail.com	6/15/2015 6:20 PM
50	On the whole, fine as is, EXCEPT for large trucks on 3rd Street.	6/15/2015 5:28 PM
51	Would be nice to have a bus stop on the NW corner of Market/2nd. The 2nd St SEPTA station smells bad and the steps are way too narrow.	6/15/2015 5:23 PM
52	i want to be able to use Uber! the city must move to allow it to operate legally	6/15/2015 5:21 PM
53	I have found that public transportation out of Old City is so convenient that most of my trips within the Center City area are via bus or train, I may not move my car from my parking garage for 3-5 days at a time.	6/15/2015 4:32 PM
54	Don't see anywhere else to comment about this, but get rid of the beggars! Second and Market Sts. are extremely unpleasant to navigate.	6/15/2015 4:31 PM
55	The roads need to be repaired. Potholes are horrendous!	6/15/2015 4:26 PM
56	Limit the use of cars in Old City - perhaps close certain streets/blocks to vehicle traffic on the weekends and holidays to encourage more foot traffic. Parking garages/lots could be positioned just north of Vine to accommodate drivers, from there they should be encouraged to walk. More foot traffic = more spending in shops, restaurants, and cultural attractions	6/15/2015 4:11 PM
57	improve the stations	6/15/2015 4:06 PM
58	The services have improved a lot. Continue to increase cleanliness, safety, and nighttime hours.	6/15/2015 4:04 PM
59	While many people do drive to Old City, this should not be encouraged with new parking garages. The roads are congested already - that's why I don't drive to Old City.	6/15/2015 3:58 PM
60	Public transit is great. I'm not likely to start coming to Old City a whole lot more in any case.	6/15/2015 3:56 PM
61	Old City needs better transit options on the weekend. Coming from other parts of the city unless you live near the EL it is very annoying to wait for a SEPTA bus that hardly ever runs, gets stuck behind double parkers, and is cram packed. Better weekend access is key to helping City residents come enjoy the neighborhood more often. My weekday routine can't change but it's nice to visit on the weekends. The sidewalks in the neighborhood are in deplorable condition. I walked through the neighborhood in the winter and every single crosswalk ramp was a big pile of ice, the National Parks Dept hadn't shoveled any of their sidewalk, and there were elderly people who could barely walk and people with strollers they couldn't navigate. I didn't go back to the neighborhood for weeks because the walking experience was so bad.	6/15/2015 3:50 PM
62	more bike lanes would improve access and connectivity	6/15/2015 11:24 AM
63	Parking and traffic can be pretty bad for residents.	6/13/2015 8:20 AM
64	Less parking means less shoppers and diners.	6/12/2015 7:36 PM

Q30 This has been a short survey, and we certainly haven't covered each and every topic. Tell us anything we haven't covered that you think would be important for us to know as we move forward in the visioning process for Old City.

1	Consider reducing traffic lanes on Market Street to 1 one each way from Front Street thru 5th street and expanding sidewalks.	7/4/2015 6:10 AM
2	Old city needs to be cleaned up and some sidewalks and buildings cleaned up. Great historic area but feels dirty	7/3/2015 8:15 AM
3	More visible police presence	7/2/2015 8:46 PM
4	This is a thought that works when worked in... Ask when did you first hear of an Old City site. Or when did you first visit an Old City site. Hear Ye have persons recall and in the doing a fired-up sense renews. Build on past experience. This works best in real seated group sessions. Ask persons to tell when they first heard or visited. I recommend this be done in a circle session. As it progresses session participants fire up in the readying to speak. The first to speak are kindling and followers fond fire up. Ever always session persons leave with a fired up warmth. That which first attracted is refreshed, renewed and made once more engaging and meaningful.	7/1/2015 7:35 AM
5	An urgent care facility would be nice.	6/29/2015 5:45 PM
6	The vacant lot next to 7-11 on Market is a disgusting eyesore. Some of the drugged out homeless people defecate near businesses and homes right on the sidewalk, that's not a good thing for residents or visitors to see plus it seems like a health violation. Club Blurr does not fit into the neighborhood and some of its patrons are under 21 and drink alcohol on the streets around the club.	6/29/2015 3:43 PM
7	Old City is improving, but there's so much more work to do. Creating a vibrant street life requires more residents, greater density, more visitors, the elimination of parking lots, garages, vacant lots, blighted buildings, graffiti and litter. Old City's creativity may guide your path.	6/29/2015 3:16 PM
8	I mentioned this, but it bears repeating-- the homeless/panhandlers (and the people asking for donations) are aggressive and increasing. I don't like to go out at lunchtime as it's unpleasant to have to dodge them. I donate to services; I don't donate on the street.	6/29/2015 3:14 PM
9	Cleanliness of neighborhood, noise levels, horse and pet droppings not being cleaned up.	6/27/2015 12:07 PM
10	This survey was written rather poorly, and was often very confusing. There should have been an opportunity in every question to explain an answer, largely because the way possible answers were worded did not capture even a hint of how I use/would use the amenities of Old City. More thoughtfully worded yes/no questions would have been appreciated. This was not a survey that could take ~5 minutes because there was way too much interpretation needed of what was being asked.	6/27/2015 10:32 AM
11	No more garage-fronted rowhouses. No more ridiculous debates over whether new buildings look too new or whether they block billboard viewsheds. More people, less cars. The secret to a successful neighborhood.	6/26/2015 2:07 AM
12	Flip the priority from cars to pedestrians. Make old city a pedestrian friendly place with European style pedestrian only streets with sidewalk cafes and restaurants. The historic parts of European cities are usually pedestrian and they are the reason I love to travel to Europe. Why can't we have that here in the historic part of Philly? It would make Philly a unique city in America.	6/24/2015 12:57 PM
13	I like First Fridays but they need to be more organized.	6/24/2015 10:45 AM
14	Please, please, please encourage increased density for greater housing options. There are plenty of vacant lots, parking lots, and vacant/blighted buildings to replace or refurbish. That would be the ultimate boost for the neighborhood.	6/23/2015 8:24 PM

Old City - Vision 2026

15	There is a definite need for more restaurants in Old City. A few extra bars north of Market wouldn't hurt. I am unaware of a bakery or fresh baked bread place. A few places to get fresh fruit and vegetables would be nice. More general goods stores are needed. More public events to get people into the neighborhood during the week and the weekend.	6/23/2015 5:23 PM
16	We need a Grocery store!!!	6/23/2015 3:45 PM
17	A neighborhood design-review board would be awesome. Preventing garage doors on the streets is a huge priority (re: "Betsy Ross Townhouses")	6/23/2015 10:29 AM
18	Respect the residents of Elfreth's Alley by reducing or regulating tourist foot traffic and, by all means, keep wedding photographers from selecting our residential street as their go-to destination for every client. This is unacceptably awkward for all parties bordering on illegal use of public space. All wedding parties are by nature loitering in front of our homes. Plus, they have a sense of entitlement.	6/22/2015 8:03 PM
19	need a better identity. too often we are lumped in center city. we are a bunch of destination locations, not really a entity as a desination	6/22/2015 4:14 PM
20	Cracking down on the falling-apart storefronts (ex: The Most Unusual Store in Philadelphia, the fire in his store was 7 years ago and he still hasnt replaced the windows)	6/22/2015 2:13 PM
21	Building better connections for pedestrians and cyclists to Northern Liberties/Fishtown and Callowhill could unite some really interesting and different neighborhoods.	6/22/2015 12:36 PM
22	We should make it clear that new restaurants are welcome above Market St(if that's the case). I'd like to see less divide between N of Market and S of Market regarding restaurants.	6/22/2015 12:02 PM
23	No more buildings above 65 feet (I think that is the current standard), like 6 floors. I STRONGLY appose the 218 Arch St. proposed 10 floor building. If it's only the 65 feet, 6 floors, it would be much more preferable.	6/22/2015 10:58 AM
24	I don't know if there's a reason why food trucks never seem to be anywhere in Old City, but that would be a really nice addition. Yeah, parking is at a premium, but maybe some concentrated location even once or twice a week would work. Residents, workers and visitors would certainly patronize them - great food with great prices. What's not to like??	6/22/2015 9:37 AM
25	We absolutely MUST control how the new construction fits into the neighborhood. Newer homes are fine, but why not design facades that MATCH the historic structures that make our neighborhood great. It's a travesty that money-driven developers were given free reign to make these visually offensive structures, to save money. Specifically -- the McMansions across from the Betsy Ross House on Arch, the buildings on Race (next to Paddy's) -- the monstrosity proposed at 2nd and Race (ruining everyone's view of the beautiful Ben Franklin bridge -- the buildings on 2nd, near Vine -- essentially ALL NEW CONSTRUCTION is pursued without any regard to the what is in place, or how to fit in. I don't want to live in Queen's Village or Bella Vista, and what's more is that as Old City, we are obligated to maintain the colonial stylings (no, it does not have to be rigidly adhered to, but certainly the designs of all new structures are contemporary cheap).	6/21/2015 4:24 PM
26	We really liked places like Charlies (used to be on 2nd b/w Arch and Race) and still enjoy Race Street Cafe. Old City could use more "neighborhoody" type restaurants/bars like this off of Market Street and away from the well traveled paths of tourists.	6/21/2015 3:48 PM
27	We need to rehab derelict properties. We need to stop building high rise apts and condos which threaten the character of Old City. We need more businesses like the Florist on 3rd, Wedge and Fig, Works Gallery, Tribal Home. We do NOT need big tall buildings that create yet more need for parking and further congest the area.	6/21/2015 2:42 PM
28	The Old City district boundaries should be expanded to include ALL of Old City, not just Market street north to the Ben Franklin Bridge. The overlay can be reconfigured, and there are enough businesses now between the BFB & Callowhill St to support the services offered by the Old City District.	6/21/2015 9:28 AM
29	No street festivals - they do nothing good for the neighborhood. Put that energy and money into the promotion of our real claim to fame - First Friday	6/21/2015 3:00 AM
30	outdoor neighbor lighting on more streets more signage, corner signs pointing to restaurants, shops, sites convention center shuttle bus more/better promotion of Old City business obtaining press for Old City business Press Old City event Concierge Old City event	6/20/2015 5:04 PM
31	Bathrooms at race pier	6/20/2015 4:06 PM
32	a subway route to and from old city from south philly would be very convenient. i would never drive again.	6/20/2015 12:50 PM

Old City - Vision 2026

33	Having a strong civic association will be integral to success in Old City. Old City District has been a great addition to the neighborhood.	6/20/2015 12:42 PM
34	keep the 65 foot max height for new construction or additions to present dwellings.	6/19/2015 8:20 PM
35	I think you've covered all the basis. Thanks!	6/19/2015 7:32 PM
36	how to preserve the most historical area in the country! Im not against change or development but when you use the slogan "independent by design" you should mean that. Very disappointed in the big chains building here (7-11,CVS,etc). Old city independent owners can barely survive already but bringing in these big chains will slowly close us all down. We will then be the new 9th and Market Slum of the city. I can see the change happening already.	6/19/2015 11:43 AM
37	Giving Independence Hall an address because I was taking my kids there but I wasn't sure of the address, so I googled it and all it came up with was "Independence Hall, Philadelphia PA 19106	6/19/2015 6:40 AM
38	It just seems a bit crowded and doesn't offer anything I haven't seen or done already. I hate parking/driving there.	6/18/2015 9:52 PM
39	Ask more questions about my and my community's involvement in the development process. Ask what I think of the city's and our Councilman's involvement in community issues. Ask me about current changes in Old City and if I am happy with them. In addition to economic-type question ask me some social-type questions - interactions, involvement, and interest.	6/18/2015 9:49 PM
40	Bring back Sugar Mom's. Get rid of the unsightly, economically under-performing surface parking lots. And that vacant spot next to the 7-11.	6/18/2015 5:03 PM
41	More visible and accessibility to public art work (murals, sculpture, etc); more historic preservation, less new development	6/18/2015 2:37 PM
42	old City has 2 shift a night: the first shift is families and people having dinner. The second shift is the nightclub shift. All of the problems come from the nightclub shift, which the media preys on and paints Old City in a negative image. Certainly more diversified ownership of bars/restaurants would help as well. (It's all 4 Corners and Starr!)	6/18/2015 11:56 AM
43	The wording of this survey was a bit wishy-washy ie. Sort of, kind of etc. And too strong of opinion responses ie Yes totally!! or no! Perhaps work on a less biased survey design next time.	6/18/2015 11:54 AM
44	I love, walking, dining at cafes. I do not like the traffic and parking challenges and cost	6/18/2015 11:48 AM
45	Cap 95 to connect old city to the waterfront	6/18/2015 11:13 AM
46	SUPERMARKET(S)	6/18/2015 9:37 AM
47	we have huge empty spaces under the bf bridge why not use it for free parking, allowing outsiders to visit, eat and shop in the community without having to return to a meter every 2 hrs. more upscale retail needed with well designed, unique shops and restaurants. no more dry cleaners, souvenir shops or nail salons. way too many bars and neglected properties on the market street strip.	6/18/2015 8:37 AM
48	Cleanliness	6/18/2015 7:32 AM
49	Please make your streets safer for all modes of travel with traffic calming.	6/17/2015 11:59 PM
50	Streetscape/Sidewalk Improvements	6/17/2015 9:11 PM
51	The neighborhood looks neglected--especially with all of the construction at key visitor intersections. There needs to be a better plan for this and construction appears to do whatever it wants. It needs more oversight.	6/17/2015 6:52 PM
52	Care needs to be taken to make sure any new building project fits the profile and character of Old City. The neighborhood is a real gem and could be spoiled by high rises or buildings that don't honor the history of the area.	6/17/2015 4:26 PM
53	Old City needs to be transformed. The night time population is great for 21 party people, but most of us young adults who do not want to get crazy sloppy drunk cannot visit Old City for a late dinner. There are too many homeless people/beggars on the streets. The partying is a lot to handle and I do not feel safe walking around there by myself late at night. Old City needs to step up with the city officials to transform this section into a place that people want to visit and spend time and money. The rif-raf trouble causing people need to be kept out. Whether the businesses do not let them in because of dress code or attitude, it needs to change and be kept out of where people are visiting. The businesses also need to change their façade. I love that Old City is historic, but some of the places are very run down and need a face lift. I feel revamping Old City is a must and it needs to be handled before it gets any worse.	6/17/2015 3:38 PM

Old City - Vision 2026

54	Old City needs the nice streetlights on every block. More restaurants & cafes north of Market St--with outdoor seating. And fewer bars south of Market Street.	6/17/2015 2:34 PM
55	Establishing a community garden in Old City would be awesome & I think a lot of residents would be interested in this since city living doesn't really provide much opportunity for growing one's own veggies.	6/17/2015 12:24 PM
56	I would love to live in Old City but as a 20-something, it's much too expensive and I'm not sure there are a lot of young people living in this neighborhood. I wish this could change somehow!	6/17/2015 11:39 AM
57	I'd like to see improvements that would directly impact residents that also work in the neighborhood or work from home. We need more stores like Fosters Urban Hardware. I feel like Old City has lost some of it's art appeal. First Friday is hit-or-miss and there's nothing exciting about the art scene here anymore	6/17/2015 11:23 AM
58	Sidewalk improvements	6/17/2015 11:16 AM
59	Old City should prioritize the transit modes that Old City residents use the most, walking and biking.	6/17/2015 10:03 AM
60	You didn't reference zoning and the fact that bars are not allowed in a large, popular section of Old City. Also, First Fridays are a huge asset to Old City and one of the primary reasons people know about and visit the neighborhood. Without a comprehensive plan to bring the entire neighborhood together in support of First Fridays, with street closures, events, and support of street merchants, you are missing a huge opportunity.	6/17/2015 9:40 AM
61	MORE AVAILABLE PARKING AT REASONABLE OR NO COST CLOSE NEARBY PARKING FACILITY.	6/16/2015 10:12 PM
62	Developers appear to get around all the restrictions that made us admire Old City in the first place, like 65' height restrictions, parking required on site for all new residential building, maintaining the exterior architectural style of Old City, etc. It's becoming more like everywhere else...crappy.	6/16/2015 5:50 PM
63	every neighborhood must choose for itself what it wants and where it wants to go, thank you for including us, the visitors of your neighborhood, to share our ideas	6/16/2015 4:03 PM
64	Give the executive director a raise. ;)	6/16/2015 2:45 PM
65	You should partner with arts and cultural organizations and create a ticket that lets you visit each theater/museum once per year.	6/16/2015 2:41 PM
66	Quicker change(s)	6/16/2015 2:37 PM
67	I would like to see more District 10 parking spaces made available as soon as the construction on Church Street, and Arch Street are completed because parking is bad now as it is, it will just get way worse. Thank you!	6/16/2015 2:21 PM
68	The recent construction boom is both encouraging and scary. As a resident I would like assurances that every effort is being made to ensure congruence (please do not add too many more of those tacky shipping-crate Northern Liberties houses) and affordability (urban development = good, gentrification = bad).	6/16/2015 1:48 PM
69	Keep old city a vibrant working neighborhood for all	6/16/2015 1:35 PM
70	main point about retail availability. also wish the art galleries were of better quality but not sure you can do anything about that.	6/16/2015 1:29 PM
71	Affordable livable walkable sustainable green diverse young professionals and young families and young businesses	6/16/2015 1:20 PM
72	can't think of anything else.	6/16/2015 1:11 PM
73	Dumpsters, housekeeping on small streets, creating more artist housing, getting rid of the stupid bottle lounges, ha.	6/16/2015 1:04 PM
74	OLD CITY CAN BE A BIT CONGESTED....MORE SPACE FOR TREES AND GREEN WOULD BE A HUGE PLUS	6/16/2015 12:56 PM
75	Accessibility should be a priority for an area that welcomes visitors from around the country and world. As a resident with a disability, it's important to me as well. On most days, I'm able to navigate sidewalks and stairs. However, I have several friends who require wheelchairs or assistive devices, and out of necessity, we usually get together OUTSIDE of Old City simply because Old City isn't handicap-friendly at all.	6/16/2015 12:46 PM
76	I would like to see more thought go into what is permitted in Old City in terms of retail. No more bars, more residential buildings, no high rises, keep the "neighborhood" feel of this part of the city.	6/16/2015 11:55 AM

Old City - Vision 2026

77	-Students and other large groups of tourists make it difficult to get around because they block the street with no thought of people walking. -Horse and buggies which are supposed to be an attraction aren't really because of the horrible smell, especially at the end of the day. -Wayfinding for tourists isn't as clear and concise as it could be.	6/16/2015 11:52 AM
78	Old City has so much potential but we seem to be lagging behind other emerging neighborhoods. It appears to be very difficult to get housing projects like 205 Race St, National, etc from plans to shovels in the ground. Also, commercial activities seem to take off at a very slow pace. I understand the desire to clamp down on the nuisance bars and associated activity, but what direction should Old City take. I think we need to use the model of East Passyunk and recognize that we can have a vibrant commercial corridor on 2nd, 3rd, Market and Chestnut with a nice mix of retail and restaurants. We may have to revisit the idea of no liquor licenses north of Market. I understand we may not want bars north of Market but we surely could have restaurants with a liquor license. Also, there needs to be a crackdown on unit owners who allow their properties to deteriorate before our eyes. There's just way too many properties in deplorable condition and it sends a terrible message to residents and visitors to Old City	6/16/2015 11:47 AM
79	Safety is a factor. More visible police at key times. Friday & Saturday night into the early morning is dangerous. there needs to be more police presence.	6/16/2015 11:40 AM
80	I like how the new shirt corner building is integrating an historic look into the architecture. Keep an historic flair, but integrate artistic elements as much as possible.	6/16/2015 11:40 AM
81	I would like to see more condo and townhouse development. More greenspace, more higher end eateries....	6/16/2015 11:34 AM
82	OCD needs to hire an aggressive, savvy marketing team to actively solicit a range of new businesses not currently located there- particular speciality shops in food/hardware/ home furnishings	6/16/2015 11:33 AM
83	we don't need any night clubs, that's why it's not safe. more police watch.	6/16/2015 11:26 AM
84	less bars and nightclubs. need to balance needs and rights of residents	6/16/2015 10:41 AM
85	It could be cleaner.	6/16/2015 10:37 AM
86	I don't like the bars south of Market, they bring people that do not respect the neighborhood, I live on N 3rd St, and every Friday and Saturday night, there is a lot of noise from these people. They leave trash or damage our plants.	6/16/2015 10:30 AM
87	More handicap friendly in relation to parking. Penns Landing, Race Street Pier and especially Franklin Square.	6/16/2015 10:29 AM
88	With the building that's in process, the population is going to grow. We need a supermarket.	6/16/2015 10:12 AM
89	Would like to see zoning that would restrict height and that would encourage compatible architectural styles with existing structures, rather than having ultramodern tall buildings and town homes that detract from what brings tourists and others to Old City in the first place. Also would like something that encourages owners to keep their sidewalks in good repair and level - and not the jumbled, broken-up surfaces that seem to prevail in many parts of our neighborhood.	6/16/2015 9:14 AM
90	I would consider making it more pedestrian and actually cutting off traffic in and around Market and 2nd and 3rd. Sort of like what NYC has done around Herald Square. This would really class up the neighborhood making it truly unique and desirable to visit. You would however have to build parking around the parameter.	6/16/2015 8:49 AM
91	I own a toy store, and I hear a lot of families comment that they wish there were more kid-friendly businesses in the neighborhood.	6/16/2015 8:24 AM
92	You really need a decent grocery store within walking distance.	6/16/2015 7:54 AM
93	I have lived in old city for 15 years and have three children. My number one complaint would be the lack of kid friendly playgrounds. I often walk/drive to society hill and queen village to go to for sports and play.	6/16/2015 6:37 AM
94	Please, no more retail chains/big companies. Starbucks, CVS etc do not belong in such a special neighborhood that is truly meant for small businesses	6/16/2015 5:45 AM
95	We need to focus on attracting more busineeess and not encourage too many condos to be built. Pay attention to the unique buildings of Old City and build based on that.	6/15/2015 11:16 PM
96	It would be a very big mistake to put high rise residences on Penn's Landing South of Market Street. It would destroy the whole flavor of an 'Olde' city.	6/15/2015 11:13 PM
97	Make dog owners to CURB their dogs, and not on somebody's house! And restrict amount of dogs in the Old City.	6/15/2015 11:01 PM

Old City - Vision 2026

98	Green roof top. To control climate	6/15/2015 10:16 PM
99	develop a cleanup campaign. Repair ada ramps Repair sidewalks Make business and contractor keep their sidewalks neat and clean and safer	6/15/2015 10:10 PM
100	I certainly have a soft spot for the homeless and I give what I can, when I can. However, there are some people who are not very respectful and deteriorate the 3rd and market area. I would love to see this handled in a careful manner. I am not sure if police is the right task force for the job, but with the introduction of 7 Eleven, and CVS, the corner is starting to bring a seedier crowd during the day and certainly at night.	6/15/2015 9:55 PM
101	The potholes (especially on 2nd) are awful. And construction on 2nd and vine is obscuring a good view of traffic - it's dangerous. Curious why the city gives so many construction permits at once so close together as it causes traffic, noise pollution, closes our sidewalks and lowers the quality of life. Also curious why renters only have the option of Comcast and not fios. But overall, the residents are lovely, cost of living is reasonable and we've been happy here.	6/15/2015 9:50 PM
102	Old City should be a place for ALL residents, not just millennials or dog owners or millennial dog owners or drunken Jersey frat boys. Please take this into consideration for the vision.	6/15/2015 9:41 PM
103	construction	6/15/2015 9:36 PM
104	I would like to see the abandoned storefronts be sold to developers or commercial retailers. I would also like to see bike lanes in old city, and many of the roads and sidewalks need repair.	6/15/2015 9:27 PM
105	Many sidewalks are in poor repair and somewhat hazardous for us elderly; also construction sites that take away sidewalks should be severely limited; and people who park in the narrow streets like Cuthbert and Mascher for more than a brief stop should be ticketed! The police should be notified to patrol some of these small streets to keep some chronic parkers from blocking us from ingress and egress	6/15/2015 8:45 PM
106	I was born and raised in Port Richmond, but consider Old City a second home. There needs to be a way to make Old City more comfortable to Philadelphia citizens and not just tourists. It was a tighter neighborhood for employment and families 40 years ago.	6/15/2015 8:42 PM
107	Great survey! Thanks! Our biggest concerns with our neighborhood, which we love, are the following: 1. Unchecked development - we get nervous about skyscraper condo and apartment developments. We love the human scale of our neighborhood and the fabric of the neighborhood. As Old City becomes a bigger destination, we don't want to see chains like McDonalds threatening that urban fabric. We would rather mom-and-pop-shops, but chains should conform to our facade standards. 2. Duck tours, segway tours, and other stupid tourist traps (like those restaurants on Market between 3rd and 4th that try to sweet talk you into patronizing their establishment) that make living and working in Old City very frustrating. 3. Diversity - our neighborhood is very wealthy and white. We would like to see more affordable options for lower-income families and events that encourage people of all backgrounds to come to Old City.	6/15/2015 8:40 PM
108	A lot of sidewalk dining areas make the sidewalks too narrow sometimes forcing walkers into the street. These city ordinances need to be enforced. Remember no walkers = less business and they cannot make walking dangerous in old city, thanks	6/15/2015 8:40 PM
109	Old City has not realized its full potential in my mind.	6/15/2015 7:55 PM
110	Listen to Joe Schiavo He is very thoughtful	6/15/2015 7:52 PM
111	Absentee landlords and negligent property owners are the biggest thing holding the neighborhood back, in my opinion. Too many beautiful buildings look decrepit or abandoned; too many empty lots are festering and keeping Old City from realizing its potential. We need to do more to reign in blightlords and encourage smart development.	6/15/2015 7:50 PM
112	Enhancement of the historic architecture and value of the area	6/15/2015 7:49 PM
113	Would a sidewalk project ever be part of the revitalization?	6/15/2015 7:35 PM
114	Please don't homogenize it by way of a survey as a way to figure out how to appease everyone in order to make it more populated.	6/15/2015 7:25 PM
115	Panhandling	6/15/2015 7:11 PM
116	Revitalizing the waterfront and the Market East areas are essential to Old City's long term prosperity.	6/15/2015 6:49 PM
117	Please bring a Giant food market to Old City!	6/15/2015 6:48 PM
118	How do we attract more office and commercial business tenants with a compelling live work play environment	6/15/2015 6:42 PM

Old City - Vision 2026

119	We need a good dog park, more street parking and a grocery store.	6/15/2015 6:40 PM
120	Closing certain key streets to cars & making bike/ped only (maybe bus, depending on the street).	6/15/2015 6:22 PM
121	Its important to hold onto ground floor retail uses along the primary streets within OC. Are there ways to foster the vibrant and diverse mix of stores that you see on N 3rd, along N 2nd St too? The architecture and the restaurant supply places, the galleries, viaul and performing arts and independent retail are the things that make OC a unique place to me -the challenge is holding onto/building upon those things over time. Both the nightlife scene and the volume of tourist visitors can crowd out the things that make OC unique, but it seems like that has gotten somewhat better recently. Kudos to OCD for reaching out it its residents users and customers through this plan!	6/15/2015 6:09 PM
122	The facade of new buildings/construction should look more similar to the historic buildings in Old City. The modern style of recent luxury condo developments detracts from Old City.	6/15/2015 6:04 PM
123	There are too few residential (zone 10) parking areas, so that such permits are practically useless here; residents are better served in other CC neighborhoods.	6/15/2015 5:37 PM
124	Outdoor dumpsters should be eliminated from Old City. They take up a lot of sidewalk space, are filthy, smell bad, leak on the sidewalks and streets, attract graffiti, urine, rats and cockroaches. The numerous trash trucks make way too much noise when they're banging the dumpsters to empty them at 7-8AM every morning. Businesses, including restaurants and bars, should be required to have their trash put out in bins in the front of their establishments at pickup time, not kept out on the smaller streets where residents live and are trying to keep clean.	6/15/2015 5:36 PM
125	tired of the blocked sidewalks - especially at the Samuel Machinery building	6/15/2015 5:34 PM
126	Continue to limit chains (retailers). Keep it different and appealing, not mall cookie-cutter.	6/15/2015 5:29 PM
127	Need a large grocery store like Everything Fresh	6/15/2015 5:28 PM
128	-the little fenced park-like spot across from the starbucks is currently wasted and trashy. it i lived in old city, i'd volunteer to keep it clean...could you find someone to do that? - the sidewalks are too often closed ...need NYC style scaffolding that allows walking safely & conveniently! - my #1 priority for old city is to get the waterfront developed!!! - thank you for working to improved old city!	6/15/2015 5:25 PM
129	I would like to see improvements to areas beneath/surrounding the Ben Franklin bridge and Front Street commercial properties.	6/15/2015 5:16 PM
130	Some of our sidewalks are a disaster. the south side of Market between 2nd & 3rd is an embarrassment to the city.	6/15/2015 4:56 PM
131	Less building permits	6/15/2015 4:52 PM
132	Garbage not getting picked up. No police presence on Chestnut St when the bars let out. The ridiculous parking / time restrictions. The papa swarms old city because the slotted time for parking makes absolutely no sense and changes often and for no reason. For example the parking restrictions on Vine at between 2nd and 4th were recently changed to 2hr parking until 10pm!!! Why? It's a completely residential area!! Everything they do is arbitrary and their incessant ticketing and towing is one of the biggest detriment to living in and visiting old city.(and the garbage) there aren't enough receptacles and they don't get emptied on a regular basis. Also the solar ones you have to open to use are gross. Nobody wants to touch them	6/15/2015 4:47 PM
133	City planning best determines the future of city-owned property, for all other parcels within the area, it would seem that you can only provide a menu of desirable opportunities and hope that someone steps up and takes the bait. To steer forward and create incentives to draw private investment, an emphasis should be placed on improving the condition and quality of streets, sidewalks, street furniture, lighting and all public spaces available. Set the stage, and private investment will follow.	6/15/2015 4:44 PM
134	Suggestions for physical improvements The challenge of tourist season for residents A community center	6/15/2015 4:37 PM
135	Old City should try to be more artsy and upmarket. We need more craftsmen and great restaurants. We have enough cheese steaks, college bars and souvenir shops	6/15/2015 4:32 PM
136	I'd push Old City as a place for empty nesters and/or retirement, with convenient/sophisticated services for them. There are lots of us, independent, with good incomes. We don't litter, make noise, rip up apartments or drink late at night.	6/15/2015 4:31 PM
137	Imposing more noise and safety restrictions. Old city is commonly thought of as a loud neighborhood with lots of drunks at nighttime on weekends. Better enforcement of noise violations and drunk and disorderly conduct could help.	6/15/2015 4:31 PM

Old City - Vision 2026

138	We need a playground and more places for kids to congregate and play. The playground at Franklin Square is great but getting there with kids can be a bit harrowing experience. We need a playground in the heart of Old City.	6/15/2015 4:28 PM
139	Be willing to listen to new ideas about old problems. Old City is the best place to be in the city, but struggles to keep up with other neighborhoods as far as progress and growth. Only in the past 2-3 years has it started to move forward again after being stagnant for 10 years.	6/15/2015 4:16 PM
140	I again stress that lowering vehicle traffic and increasing foot traffic could do wonders for the neighborhood. Furthermore, having guides (who aren't affiliated with the many tour companies) on staff to walk a "beat" during heavy tourist times would be very beneficial.	6/15/2015 4:16 PM
141	Model the area after Rittenhouse Square. Clean up Market St with finer stores and restaurants.	6/15/2015 4:11 PM
142	The repair and maintenance of the sidewalks is a disaster. The character of the sidewalks is the single biggest quality of life issue for me. This includes cleaning, repairing broken concrete and curbs, removing dead honor boxes, old signs, gratings, dead trees, stumps, patches of dirt, etc. Recommend a detailed survey of every street with a plan of how to improve the sidewalks.	6/15/2015 4:10 PM
143	More and more empty nesters like myself would like to move here. The housing needs to be upgraded to satisfy the needs of suburbanites that are accustomed to various amenities. The area certainly has it's charm. However, that is offset by the trashy bars and riff raff that is a constant throughout the neighborhood.	6/15/2015 4:08 PM
144	Fix the sidewalks; make outdoor cafes obey the rules. More outdoor benches.	6/15/2015 4:06 PM
145	amenities for residents such as a real grocery store. more effort to attract families.	6/15/2015 4:05 PM
146	Please do more to encourage restoration of older buildings. Do not allow tall buildings to move into Old City. 108 Arch ruined a beautiful street and robbed it of its charm. Have more open spaces where residents can take their young children and dogs. Bring more farmer's markets and use spaces to bring in local crafts people, galleries, bring in at least one well known retail shop like JCrew or Banana Republic, have Di Bruno's or a gourmet shop within reach. Plant more trees and encourage innovative start-up tech businesses to move in.	6/15/2015 4:03 PM
147	Replace Old city Flags.	6/15/2015 4:03 PM
148	Allowing developers to build more tall buildings is a recipe for disaster.	6/15/2015 4:01 PM
149	Get rid of all of the parking lots in the district - they are a waste of good property.	6/15/2015 4:00 PM
150	I would like to see more public art in Old City. Murals and street art set Philly a part from other cities and I don't think it could hurt to have more in Old City!	6/15/2015 3:58 PM
151	Keep it distinctive; it should feel safe and prosperous without turning into an outdoor mall.	6/15/2015 3:57 PM
152	zoning issues, which would influence housing, development projects.	6/15/2015 3:56 PM
153	Deal with the borders and parking.	6/15/2015 3:56 PM
154	I'm concerned about the design of new construction and the loss of available parking lots.....	6/15/2015 3:55 PM
155	retain old city's historic charm and historic buildings.	6/15/2015 3:55 PM
156	Street furniture and greenery. The neighborhood has big bare stretches without any trees or plantings. It would be nice to see more. As a visitor who usually walks more than 2 miles when I do visit I would love to see more benches and places to sit down when I'm there. It's exhausting!	6/15/2015 3:51 PM
157	Keeping chains out for the most part. CVS will be welcome. A grocery store would be nice in or just north. But 7-11 is a horrible addition.	6/15/2015 3:08 PM
158	An affordable, well scheduled Old City loop trolley or bus service might help to reduce parking and safety issues by offering an alternative. Especially if it connects conveniently with Septa (I like the BSL, so connecting to that would be great especially late at night!).	6/15/2015 2:59 PM
159	Again, It's important to revitalize the gallery & creative class of individuals that made old city what it is today. Instead of knocking down buildings to build new, we should invest in restorations. Also, there are a lot of opportunities to plant more trees or create a community garden space.	6/12/2015 11:18 PM
160	Write better surveys. You ask questions on existing but not future needs.	6/12/2015 11:04 PM
161	The character of the area is rapidly changing and it is loosing what is special- rehap the older buildings instead of putting in generic.	6/12/2015 10:32 PM

Old City - Vision 2026

162	Make pedestrian / bike only streets. A lot of them. Take a page out of Boston's and Seattle's books and turn I-95 and Columbus/Delaware Ave into underground tunnels: reconnect the city to the water.	6/12/2015 10:03 PM
