Graham Copeland (Executive Director), Brett Mapp (Operations Director), Greg Diehl (Economic Development Coordinator).

Absent: Pat Lavelle

Guests: Alex Hillman, Janet Kalter, Joe Schiavo, Charlie Vaturi, Deborah Vaturi.

Call to Order: Michael Mattioni called the meeting to order.

Minutes: – Minutes for the December 2011 meeting were previously circulated to board members via email. Motion to approve: J. Ritchie 2nd/P Rothberg. All in favor; approved.

Chairman’s Annual Report: M. Mattioni.

Michael thanked the board for his tenure and service, and acknowledged the efforts of the Executive Committee, Committee Chairs and all board members. Organizational highlights for 2012 include:

- **Old City District office move** - the new leased facilities at 231 Market Street afford the organization a more visible role in the community, in support of our strategic plan objectives.
- **Street cleaning contract** - the review and competitive rebidding of our largest contract resulted in a cost savings of over 40%, while maintaining a high level of service.
- **Public safety initiatives** - savings from the cleaning contract enabled the district to add new services by hiring Prodigal Private Security to conduct a walking patrol on weekend evenings, and to invest in a radio communications network, in coordination with twenty participating local establishments. The District also successfully advocated for additional police services, resulting in the assignment of four new full-time officers to a walking beat in Old City.
- **Economic development** - activity for the year includes participation with the Storefront Improvement Program through the City Commerce Department, and with the International Council of Shopping Centers conference.
- **Marketing** - initiatives include a successful brochure publication promoting the assets of Old City to Philadelphia residents and visitors.

- **Streetscape improvements** - changes in 2011 include the installation of new holiday lights on Market Street, a new maintenance contract for the pedestrian light poles on Market Street and the commitment of funds from the City for the installation of new pedestrian lights on N. 3rd Street.

**Councilman’s Report:** M. Squilla
Councilman Squilla acknowledged the effort to gain four new police officers and noted that their presence has been well-received. He is working in support of OCD’s present effort to locate a new taxi stand on Market Street. Reward offers have been made by the City of Philadelphia and the Fraternal Order of Police, for information leading to the arrest of those responsible for the recent homicide of Kevin Kless.

**Executive Director’s Report:** G. Copeland
- **Police Welcome Meeting** - this event was held on Jan 17 for OCD and businesses to meet the four new officers. They are assigned for full-time, permanent positions, on a “walking beat” duty, scheduled for 7:00 pm - 3:00 am shifts, every Tuesday - Sunday. Attending the event were the four officers, Police Commissioner Ramsey, Dep. Commissioner Bethel, Capt. Korn, Sgt. Brennan, Councilman Squilla and many OCD board members. The event was planned before the fatal incident of last weekend, which became the primary topic of the meeting.
- **Assessment Billing** - this year’s billing was done after an accounting system changeover from FileMaker to QuickBooks, which went smoothly. Billing formats were redone, (the new system now enables a summary of past-due amounts from previous years), the first billing is now complete, on schedule, and the staff is servicing inquiries from rate payers.
- **Assessment Collection** - an analysis of the top 20 delinquent accounts was prepared by B. Mapp and reviewed by the Exec. Committee. Liens have previously been filed on all of these accounts. In a final effort to collect directly, we are sending a notice letter, followed by calls, in some cases by board member who know the parties. This will be followed by our sending the accounts to a collection agent/lawyer Lee Herman. He did this successfully for South Street Headhouse District and charges a fee of 18%.
- **Market Street Pedestrian Lighting** - two more lantern fixtures blew down in a recent windstorm; rather than replacing or repairing them, we are first investigating the safety issues and inquiring about the fabrication/assembly installation from a preventive perspective.
